Cobb Has Made 3,000 Hits.
Ty Cobb, manager of the Tigers and the greatest ball player of all time, has added another great accomplishment to his remarkable record. When he connected for a single off Urban Shocker of the Browns on Sept. 1 he ran the total number of hits made during his major league career up to 3,037, surpassing by one hit the record of Napoleon Lajoie, former star of the Cleveland Indians. Lajoie took twenty-one years to make more than 3,000 hits while Cobb has reached that total in only eighteen seasons. Only four players in the forty-seven years of major league baseball history have succeeded in making 3,000 hits during their respective careers. They are Hans Wagner, who leads with 3,490; Cobb, Lajoie and Cap Anson.

Their lifetime batting records follow:
Player Yrs. Gs. Hits P.C.
Wagner 21 2,794 3,490 .329
Cobb 19 2,927 3,240 .372
Lajoie 21 2,469 3,286 .338

Giants May Sign Scott.
San Francisco, Sept. 11.—"Death Valley" Jim Scott, who was released from the Chicago White Sox several years ago, because it was thought he was through as a hurler, has staged such a successful comeback that he has been recommended to the New York Giants by Bill Lange, John McGraw's western scout, who once was a major league star himself.

Pitching for the San Francisco club of the Pacific Coast League, Scott has had one of his most successful seasons, having won twenty-one and lost six games to date. Lange feels that with a strong club like the Giants behind him Scott would do as well in the majors as he is doing in the minors.

**LEONARD AND WHITE
TO MEET ON OCT. 6**
Lightweight Champion and
Chicagoan are Matched for
12-Round Bout in Jersey
City.

Benny Leonard, world's lightweight boxing champion, will defend his crown against the assaults of Charlie White of Chicago in a twelve-round bout at Boyle's Thirty Acres, Jersey City, on the night of Friday, Oct. 6, according to an announcement by Promoter Tex Rickard. In accordance with the condition of the championship battle the two boxers will weigh in at 135 pounds on the afternoon of the day set for the bout.

The coming bout will be the second meeting between the lightweight champion and one of the foremost contenders for his title. In their first engagement held at Benton Harbor, Mich., two years ago last July, the champion scored a knockout over his Chicago rival in the ninth round of a scheduled ten-round battle. Up to that time White had given Leonard quite a battle and in the fifth round knocked the champion through the ropes. Leonard then staged a strong rally and finally stopped his opponent in the ninth round.

The bout with White on Oct. 6 will mark the first appearance in competition of Leonard since he easily outpointed Ever Hammer of Chicago in a ten-round battle at Michigan City on Aug. 5, and it will also mark his first important engagement since he successfully defended his title against Lew Tender of Philadelphia at Boyle's Thirty Acres several months ago.

Leonard's mouth is still in bad shape as the result of injuries received in his bout with Tender and Hammer, but the champion expects to be in good condition for his battle with White. Leonard at present is resting at Long Beach.

**CHURCHES TO
PRODUCE MOVIES**
"Christian Herald" Publisher
Says They Have Unlimited
Backing—Will Hays As-
sailed.

(New York Herald)
The Christian Herald announces the formation of a motion picture organization to produce and distribute pictures for Protestant congregations. Graham Patterson, publisher, says the organization has unlimited financial backing. He asserts that the industry headed by Will Hays has failed to co-operate with churches and that the regular producers have been warned against releasing pictures to churches and schools.

The new organization is called the Christian Herald Motion Picture Bureau. Its slogan is "To provide clean pictures for clean people." It was organized at 130 West Forty-sixth street, where we have associated ourselves with the National Non-Theatrical Motion Pictures, Inc. This organization has been supplying pictures to churches and schools in a small way.

"The Christian Herald has taken over the entire religious field and will give the people something worth while. In fact we have the finest picture that has ever been produced anywhere to start with next month. Nothing like it has ever been shown in this country. It was made in Palestine and Egypt five years ago and runs for fifty-three reels. Italian land, the picture, the production, the extent of \$3,000,000. It would have cost \$5,000,000 to have produced it here. There are 10,000 people in some of the scenes. Of course it is a religious picture, but it will interest everybody."

"Besides this remarkable picture we have 1,800 other subjects. Not a single reel will go out that has not been passed by the Christian Herald Bureau and stamped with its mark of high standard and good taste. We have also arranged with the Burton Holmes travel pictures, United States Naval Academy athletic instruction pictures, Robertson-Cole dramas, Swedish biographical educational and comedies. Park popular science series, Field and Stream hunting and fishing subjects, the Levey biological films and the famous world dramas. We have obtained the preview of non-theatrical films of Germany, Italy, France, Belgium and the Scandinavian countries."

Church Machines Idle.
There are from 150,000 to 200,000 Protestant churches in this country, 10,000 of which are equipped with motion picture machines. Most of these are lying idle because of lack of films, said Mr. Patterson.

"I believe in the next five years you will see 100,000 churches equipped with motion picture machines, and the congregations will have the same regard for the machine as they have for the organ. It will become such a part of the church and church life," said Mr. Patterson.

"We have unlimited backing. Since we announced the organization of our bureau through our magazines we have had thousands of letters, many from persons who have offered to help finance. Somebody had to come along and provide the churches with films, so we are going to do it."

Harry Levy, president of the Non-Theatrical Motion Pictures, Inc., will be in charge of the distribution and all details. Arthur James, formerly editor of the Motion Picture World and Don Carlos Ellis are interested in the new enterprise.
