## DEMAND FOR LABOR MUCH IMPROVED

Increase of 21 Per Cent in  
September Over August—  
Applicants Averaged 1482  
Daily at Boston Employ-  
ment Office.

(Boston Globe.)  
The gradual improvement in business  
noted in August continued through Sep-  
tember, according to the monthly re-  
port of the Boston Public Employment  
office which was issued yesterday from  
the new headquarters at 23-25 Pearl  
street, near Postoffice square.  
The number of persons called for by  
employers showed an increase of 21 per  
cent over August, but a decrease of 50  
per cent from September a year ago.  
The number of working days averaged  
1482, which is a slight increase over the

25 working days in August. During the  
month, 2,236 ex-service men called at the  
office and 85 of them secured positions.  
There has been a demand for painters,  
and a fair demand at reasonable wages  
for laborers. In the boys' department  
wages have dropped considerably, and  
the demand, while it has been heavier  
during the latter part of September, is  
not sufficient to take all the supply.  
There has been an increased demand for  
minors in the women's department at  
small wages, with practically no supply,  
due no doubt to the opening of the  
schools.

## POLLS OPEN BUT NO VOTES CAST

The advance polls, at which those  
whose business may require them to be  
out of the constituency on next Mon-  
day may vote on the importation of li-  
quor into this province, were open last  
evening from 7 until 10 o'clock, but no  
ballots were cast. It is necessary for  
those wishing to vote at the advance  
polls to make an affidavit to the effect  
that they will be absent from the city  
on Monday. The city poll is at the  
sheriff's office and that for the county  
at W. Albert Nelson's residence. The  
advance polls will be open this evening  
and also Saturday evening.

## LOCAL NEWS

The case involving trouble in a north  
end family which had been before the  
police court was settled yesterday after-  
noon in the police court through the  
good offices of Magistrate Ritchie. The  
affair was not dealt with severely, at  
the request of the person who had had  
the information, and the parties in-  
volved left the court after receiving a  
severe reprimand.

The co-operative committee for girls'  
work, at its annual meeting last evening,  
agreed that a six weeks' training course  
for leaders should be held in the city

dressed the meeting on girls' work. The  
following officers were elected: Presi-  
dent, Mrs. J. D. Hunter; vice-president,  
Miss Helen Sime; secretary, Miss Flo-  
rence Cummings; treasurer, Miss Kath-

The New Brunswick Power Company  
has communicated with the council of  
the parish of Lancaster to the effect  
that the reconstruction of the Fairville  
spur had been considered by the di-  
rectors of the company, and it had been  
found that between \$2,000 and \$3,000  
would be necessary to put it in condi-  
tion. The company will not make this  
expenditure unless the litteys are pre-  
vented from running to Fairville. The  
board of management of the parish will  
meet to consider the power company's  
communication.

The Currie Construction Company  
commenced work on the paving of the  
Marsh road yesterday. Nine men are at  
work and fifty yards of earth were ex-  
cavated by last night. The road  
machinery which the company use is on  
the way here. The plant is capable of  
finishing 2,000 yards of concrete a day.  
The natural Trinidad asphalt is to be  
used for the surface. Lewis Corey is  
the general superintendent of the work.

The request of \$2,000 left by Mrs.  
Helen Weirford to the Home for In-  
curables was received at the meeting of  
the board of directors of the home yes-  
terday afternoon. Dr. Thomas Walker,  
the president, was in the chair and the  
meeting was well attended. All reports  
were very satisfactory and the directors  
were well pleased with the management  
of the home.

As a prelude to the observances of  
the fifty-second anniversary of the  
church next week, a congregational  
rally was held in the Carmarthen street  
church last evening. Rev. E. E. Styles  
presided and about one hundred were  
present. The pastor urged a continued  
loyalty and said that the church needed  
\$600 to meet its immediate require-  
ments. Rev. H. E. Thomas and Rev.  
Neil MacLauchlan also spoke. Several  
musical numbers were heard. Refresh-  
ments were also served.

The Duke of Rothesay Chapter of the  
I. O. D. E. had under consideration at  
its meeting on Wednesday afternoon the  
various ways in which it could co-oper-  
ate with the staff of Rothesay school in  
regard to health measures for the pupils.  
Preliminary arrangements were made for  
the annual sale in December, and \$45  
was voted to the War Memorial. The  
members were made members of the  
Navy League.

## BOMBARDMENT OF MELILLA

Melilla, Oct. 7.—Morocco resumed  
their bombardment of Melilla last Sun-  
day, and the fire continued through-  
Monday without causing serious dam-  
age. A small group of Moors occupied  
a position in the southern suburbs of  
the city and sent shells into Spanish po-  
sitions. They also fired a machine  
gun, the bullets from which fell into a  
thickly populated region.  
The population of the district was  
compelled to take refuge in the centre  
of the city.

## A TYPOGRAPHICAL ERROR.

In his recent judgment in the O'Brien  
case, Mr. Justice Barry was reported as  
quoting O'Brien, as follows: "I did  
know the blow was to be struck." This  
is a typographical error and should have  
read in the negative form, "I did not  
know that the blow was to be struck,"  
the words O'Brien used.

## BUSY SESSION OF FUNDY CHAPTER

The Fundy chapter of the Imperial Or-  
der of the Daughters of the Empire ac-  
complished much business at its meeting  
last night, which was the first of the  
season. The meeting was held in the  
G. W. V. A. rooms with the regent, Miss  
Alice Fairweather, presiding. Miss Helen  
Short, the treasurer, reported that the  
chapter had given \$107 in relief to the  
families of soldiers and others who were  
in need during the summer months when  
there were no meetings. Cases where  
relief had been given were also reported  
by the Misses Ross, Barber, Taylor and  
Borden. In reply to a request for vol-  
unteers to help in the Protestant Orphan-  
age fair several members volunteered.  
Fourteen of the members joined the  
Navy League and the sum of \$11 was  
voted to the league to complete a con-  
tribution of \$25. The sum of \$50 was  
voted to the milk fund for needy babies  
which the local Council of Women has  
established. This sum is sufficient to  
enable the chapter to support or "adopt"  
a baby for one year. Miss Frances Al-  
ward gave an interesting report of the  
Municipal Chapter meeting and in it  
made a strong appeal for assistance in  
placing a library in a Grand Mann  
school. In response to the appeal the  
chapter voted \$5.  
Miss Grace Fleming, educational sec-  
retary, outlined the plans for presenting  
prizes to children in the schools at East  
St. John and Brookville and it was de-  
cided that patriotic pictures and a flag  
chart should be presented to the kinder-  
garten in Prince Edward street. Miss  
Bolton as Echoes secretary, reported that  
eight new subscribers had been listed  
and Miss Barber told of having presented  
her copy of Echoes to the Church of  
England Institute.

Miss Beatrice Fennety, of New York,  
and Miss Bernice Borden, who is leaving  
St. John shortly, were made honorary  
members of the chapter and two new  
candies, completing the number of sev-  
enty-five. A letter from the national  
president urged members to uphold the  
aims of the order.  
Much of the time of the meeting was  
taken up with making plans for a tea  
that will be held early in November.

The regular meeting of the W. M. S.  
of the Queen square Methodist church  
was held in the church parlors yester-  
day afternoon with the president, Mrs.  
C. W. Dickinson, in the chair, and a  
large attendance of members. It was  
"due day" and many members observed  
the day in approved fashion by paying  
their fees. An interesting programme  
was carried out. Mrs. Isabelle Blizard  
gave an excellent report of the district  
convention recently held in Sussex.  
Afternoon tea was served after the  
meeting and a social hour enjoyed.
