ASK PREMIER FOR CHANGES IN LIQUOR LAW

Ottawa, March 31.—(Canadian Press.)—Some sweeping changes in liquor laws were proposed to Premier King and members of the cabinet today by the dominion committee on liquor legislation, headed by D. B. Harkness, president of Winnipeg.

The committee proposed, among other things, that the manufacture of home brew be made illegal, that the manufacture of intoxicating liquors be forbidden in provinces where sale of such liquors for beverage purposes is illegal, and requested the government to "consider whether as an act of national good it would not be possible to prohibit the exportation of liquor from Canada to the U. S."

WOMEN'S COUNCIL  
IN ANNUAL SESSION

(Continued from page 1)  
to do. Reports from these committees were given from time to time, and cases discussed and in this way all the members were brought to have an intellectual knowledge and understanding of these vital matters. It was a higher education for women she said.

In concluding her address, the president, paid a high tribute to the work and co-operation of the executive and all the members of the council during the year. She also made strong pleas to the ladies to give their best efforts to bring about success of the campaign in St. John next week against Tuberculosis.

Corresponding Secretary.  
Mrs. F. C. corresponding secretary, reported as follows:

Madam President, Officers and Members of the St. John Local Council of Women.

With the presentation of life membership and an illuminated address to the president, Mrs. E. Atherton Smith, honorary membership on the executive of our local council was conferred.

A handsome illuminated card to the retiring recording secretary, Mrs. A. W. Estey, and brief remarks by our well-known guest, Mrs. J. C. O'Brien, Hillboro, so ended the enjoyable sessions of the annual meeting, March 18, 1921.

We meet today to review the activities of the past year. It would be impossible to report the achievements of this council without paying tribute to our president, whose enthusiastic leadership, untiring energy and gentle firmness, make all our undertakings spell success.

Wherever she represents us our council is honored, and we are proud to have her own duties, but also taking on the work of the corresponding secretary, Miss Milligan, who, owing to ill health, was unable to be present at meetings.

Some changes were made in the executive. Mrs. D. W. Estey, who for eight years has been recording secretary, and filled the office so faithfully, resigned.

Mrs. George C. Poole was chosen and given a cordial welcome, and has proved most efficient, not only in the discharge of her own duties, but also taking on the work of the corresponding secretary, Miss Milligan, who, owing to ill health, was unable to be present at meetings.

Perhaps the most pretentious undertaking of the council has been the election of the President of the Western Union Telegraph operator at Edmundston.

One resolution re children's pensions were again discussed, and a committee appointed to ask Premier Foster to interest himself in behalf of the council, and get the bill passed.

## FIRE LOSS IS VERY HEAVY

Havoc Wrought in King St. Establishments—Insurance—Plans of Those Affected.

It is expected that Fishman and Perchank, who occupied the top floors in the Levine building in King street, damaged by fire last night will be the heaviest losers. Their stock, which was estimated by Mr. Perchank to be valued at about \$50,000, is practically a total loss.

The insurance carried by this firm totaled about \$75,000, of which \$14,750 was with Rainnie & Keator in the following companies: National Union, \$3,125; Union of Canada, \$2,500; Provincial, \$2,000; Columbia, \$2,000.

The balance was placed by George E. Fairweather & Sons.

W. P. Hurley, manager for Robinson's Clothes, Ltd., who occupied the second floor, said this morning that as all accounts were kept in Montreal and that he would resume business in the morning, so the loss is confined to water and smoke damage.

F. M. Levine, owner of the building, carried \$12,000 on the stock and \$1,000 on the fixtures in his shoe store on the ground floor. Of this \$5,000 was with A. Ritchie in the Nova Scotia Fire, \$1,500 with Geo. E. Fairweather & Sons, and the balance with R. W. W. Frink & Sons.

Mr. Levine said this morning that he would carry right along in his Prince Edward street branch store, where his customers would be cared for and that he would resume business in the King street premises just as soon as he could.

Messrs. Fishman and Perchank also have decided to re-open a place. Their loss is particularly heavy on account of the fact that they had ready for shipment a large stock of spring goods and had orders on hand that would keep them for two months. They staff of some thirty-five people has been temporarily thrown out of employment.

MINERS QUIT WORK TODAY

(Canadian Press.)  
Indianapolis, March 31.—The last day of work under present wage conditions was completed today by the country's half million union coal miners.
