## A. Y. P. A. "FOLLIES" GREATLY ENJOYED

In the school room of St. Paul's church last evening the A. Y. P. A. gave a presentation of "The Follies" which delighted and amused a large audience. P. N. Woodley directed the performance and was interloper. Miss Edith Hamm had charge of the costumes and settings. Mrs. A. H. Allison was the pianist, and A. C. Ritchie, musical director. Much fun was provided by John Waddington, Leonard Wilson, W. Hamm and W. C. Peters.  
The various numbers were as follows: Mandolin duet, song, Mrs. Southouse; quartette, Miss Love, Mrs. Southouse, Mrs. Woodley, Miss Larkins; dance, Miss Hazel Peters, Miss Dorothy Wark, Miss Dorothy Sutherland, Miss Violet Hood, Miss Doris White; solo, Ernest Hill; solo, Miss Larkins; quartette, Lester Rowley, Dean Gandy, Harold Allison, Tom Guy; reading, Miss Fisher; song and dance, Miss Hazel Peters and Ernest Hammond; comic song, Fred Edwards; song, Miss Greta Love.  
A member of the Caulkers' Union said last evening that it was their intention to ask for \$6 a day after April 1.

## It Is Never Worth While to Work Too Hard

Few women really have the strength to do a hard day's washing.

It is not worth while to slave over the tub. You'll pay for it after a while, in doctor's bills and vanished health.

The New System Laundry will call for your wash and return it clean, fresh and white. In this modern laundry we are in to clothes—no rubbing—no acids—just good, pure soap.

The cost is small—surprisingly small—and the saving in health and energy is very great.

Phone M. 1707 this week. Try our service at least once. Handle Wash Day the New System Way—and have the clothing dried before being returned.

## RECENT DEATHS

The death of Ralph Blain Flewelling, only son of Ernest Flewelling, occurred in this city on February 13, from pneumonia. Besides his father, who is a returned soldier and former member of the 1st siege battery, he is survived by his step-mother and two sisters, Emma, at Eastport, and Mrs. P. A. Miller, at Halifax. The funeral took place today from the residence of Mrs. Colahan of 17 St. David's street.

New York, Feb. 13—Julius Chambers, short story writer, explorer, playwright and newspaper man, died of pneumonia Thursday night. He established the Paris edition of the New York Herald for James Gordon Bennett in 1887. For the last sixteen years he had been on the staff of the Brooklyn Eagle. He was born at Bellefontaine (O.), in 1847.

The death is announced at Calais of Mrs. Ellen H. Cony, niece of Hon. Hannibal Hamlin, of Bangor, who was vice-president of the United States when Abraham Lincoln was president. Mrs. Cony's husband, Lieutenant Cony, U. S. N., and her brother, Frank Holmes, were slain in the Civil War.

Mrs. Mary T. Wright, of Eastport, died at Bangor on Thursday. Charles Galen, of Fredericton, is a brother.

The death of Haddon Atkinson, which occurred at his home in Norton on February 10, was heard of with great sorrow in the community. He was a young man of sterling character with bright prospects and sincere sympathy. He was extended to his bereaved family. Besides his parents, he is survived by two sisters, Mrs. A. Maklepiece and Miss Beatrice, of Norton and three brothers, Rupert, of Sackville, and St. Clair and Reginald, of Norton.

Harvey Main, a native of Sackville, died at his home in Malden (Mass.), Wednesday night of pneumonia. Mr. Main was fifty-one years of age and had lived thirty years in Malden, where he was route agent for the Sackville Company. He leaves two brothers and two sisters.  
Mr. Main died on the day of his wife's funeral. Mrs. Main had also been ill with pneumonia and the two had been endeavoring to take care of each other. Mrs. Main died on Sunday.

The friends of E. Burpee Bennett will be shocked to hear of his sudden death which occurred in this city yesterday. He had spent the major part of his life in St. John, and returned to New Brunswick a little more than three years ago. Of late he had been making his home with his nephew, H. V. Hayes, 29 Peters street. Mrs. Hayes was shocked when she started to find him for lunch yesterday morning to find he had passed away. Mr. Bennett was the youngest son of the late Christopher and Mary A. Bennett, of Central Norton, Kings county. He is survived by one sister, Mrs. J. K. Hayes, and two brothers, John and Albert, besides numerous nephews and nieces. The body will be taken to Central Norton on the 115 train today to be buried on Sunday.

A wire was received by C. P. O'Neil last evening telling of the death of Mrs. O'Neil's father, William S. Mace, at his home in Dorchester (Mass.). The late Mr. Mace, who was connected with the firm of Bliss Babayan Company, of Boston, was a frequent visitor to St. John, and was well and favorably known.

Mrs. Annie Holden died at her home in Lower Millstream, Kings county, after a long illness. She leaves her mother, one brother and one sister.

Miss Edith I. Scott died Feb. 11 at her home in West Bathurst. She was the daughter of Mr. and Mrs. William Scott, and she leaves six brothers and three sisters.

John P. Roberts of Hampton died at the home of his daughter, Mrs. Charles E. Cole, Rockdale, Mass., Feb. 8, at the age of sixty-four. He leaves his wife, one son, five daughters, two brothers, and one sister.

Mrs. L. J. Belliveau died at the home of her father, J. M. Lyons, Shediac, Feb. 8.

## COMMERCIAL CLUB

That the hotel proposition which was taken up by the Commercial Club some time ago, has developed into a concrete fact, soon to be accomplished, was announced at the general meeting of the club last evening. S. E. Elkin, president of the club, was in the chair, and he said at the opening of the meeting that the plans of the hotel had been drawn by Rose and Macdonald, architects, that the options on the sites had been taken, and that the proposition would be laid before the capitalists in Montreal, who are behind the scheme, early next week. These capitalists were taking the majority stock and he had no doubt that the remainder could easily be raised in St. John very shortly. He expected that the arrangements would be completed by Wednesday or Thursday.

T. M. Bell, chairman of the committee in the Boy Scout campaign, wrote that the members did not give the movement the required support.

It was decided to hold a smoker and entertainment at the next regular meeting. In explaining the small attendance the chairman said he thought it was due in part to the failure of the postal authorities in not delivering the bulletin telling of the meeting. He suggested action against the postmaster.

## HEATED SESSION OF GRAIN GROWERS

(Canadian Press Despatch.)

Sackatoon, Feb. 13—At noon today, eighteen hours after 2,000 members of the Grain Growers' Association in the whole of the province had decided the place of the convention together and put through a motion that the formation of the provincial platform be left to the central board in consultation with the board of the women's section.

## HER TROUBLES WERE MANY AT No. 13

Montreal, Feb. 14—"No more number 13 for me," said Mrs. F. Laforest to Detective Constantine at an enquiry before

themselves to do things against which she had fought years and were in danger of splitting the association into a thousands pieces.

Despite an obvious attempt on the part of some to have the whole question re-opened with a view to having another vote taken on the question of immediately entering the political field provincially, some of the delegates to the convention together and put through a motion that the formation of the provincial platform be left to the central board in consultation with the board of the women's section.

This means that the next general convention, a year from now, will have to accept or refuse the provincial platform prepared by the two boards named. In other words the association is in the same position at this time as they were last night except that they were to be done by the central board instead of five delegates.

Fire Commissioner Latulippe yesterday, into the outbreak that occurred at her home at 18 Erie street, on last Monday. Since she has lived there she said that she had lost her husband and her daughter-in-law. Last week she buried her son and close on that same day, Mrs. Laforest was very chary of giving evidence yesterday, which was Friday, the 13th.

## U. N. B. STUDENTS AT HOME.

The annual convocation at the University of New Brunswick, Fredericton last evening, was attended by about 300 persons and a very enjoyable time was spent. The entertainment was under the direction of Roland Barnes, assisted by C. R. Townsend, Ian MacLaren and Miss Thurtell.

## PATENT YOUR INVENTIONS

AN interesting and encouraging thing about these fortune producing inventions is that most of them are of ordinary or minor value to themselves. If you have a notion that you must invent a big thing to make money, get rid of it at once. Many of the patents that have made their inventors millionaires are those which contained very few entirely new ideas. The simple ideas have earned fortunes for their patentees. The safety razor, the sanitary drinking cup, the lamp, the hairpin, a demountable tire rim—any of these could have been invented by a man of average ability. In your every day life, at home, at your office, in your shop you handle any number of articles that are subject to improvement. If you can think of a way of improving some article or process already in use, or if you can invent a new useful device or process or article of manufacture, you are on the road to fortune. Denial makes a fortune from a single shipping tag. Prepare now to meet the demands of industry in all fields for new ideas and new inventions. Before sending your invention to any attorney or manufacturer or disclosing your invention, write for our free blank form PROOF OF CONCEPTION in order to protect your invention and secure your rights.

WE ADVERTISE our Clients Inventions Free to INDUSTRIAL CANADA, which is the Official Magazine of the Canadian Manufacturers Association. It pays to have Shipman's Service. Ask for our new Booklet "Patent Protection".

Send Model, Sketch and description of any new invention you have for Free Opinion as to Patentability. This Certificate of Patentability together with our blank form "Proof of Conception" will protect the inventor and serve as proof of the invention until the case can be filed in the Patent Office.
