**Dainty and Attractive Waists and Blouses**

This will be a great season for Blouses. The short coats of the new style suits demand the wearing of a good blouse, smarter and more dressy than those of the past. That explains the tendency of the fashion for fancy effects in the new and selected styles shown in our new stock.

The materials are Figured and Flowered Crepes, Marquisettes, Voiles, Muslins and Sheer Batistes.

There are also many smart tailored Shirtwaists, as well as the "New Middies" for misses. Many of these lines are unusually good values.

The Prices Ranging from **79 Cents to \$4.50**

Frank Rowan, Brother of A. V. Rowan of St. John River Log Driving Company

Mr. Rowan was forty-five years of age and leaves his wife and four children. He is also survived by his mother, five brothers, one of whom is A. V. Rowan, manager of the St. John River Log Driving Co. and three sisters. He was part owner of the tug Osawana, which plies on the St. John river.

**WILL EXTEND CALL TO BRUCE LIVINGSTONE**

The Presbyterian congregations of Knox church, Shediac, St. David's church, Scotch Settlement, and Humphrey's, Humphreys Mills, Westmorland county, have recently united with the purpose of calling an ordained minister as their pastor. They are seriously thinking of extending a call to Bruce Livingstone, a member of this year's graduating class from Pine Hill College, Halifax.

Mr. Livingstone, who is blind, has made for himself an enviable reputation as a diligent and painstaking student. He took his arts course with high honors at Dalhousie and is now completing his theological training at Pine Hill. He has preached at all three of the places with great acceptance, leaving a fine impression of unusually large congregations.

Mr. Livingstone's uncle, the late John Livingstone, was for many years a notable figure in the journalism of eastern Canada. Bruce Livingstone is the son of Bruce Livingstone, and was born in Harcourt, Kent county, about twenty-five or twenty-six years of age, he has a fine presence in the pulpit, and a great gift of natural oratory makes his sermons very impressive to his listeners. He is as acceptable socially as he is in the pulpit, and combines a rare degree of refinement with unflinching tact and cheerfulness.

Following the usual routine in such matters the call, after preparation, will be sent to the St. John Presbytery for approval, and it is felt that if no unforeseen obstacle arises Mr. Livingstone will accept. In that case these three congregations, who are in a period of uninterrupted prosperity under his guidance. An encouraging feature is that these three points, which have hitherto been under the care of the home mission board, will then rank as an augmented charge.

**NEARLY 400 IS COUNT NOW IN WEST END EVANGELISTIC MEETINGS**

The West End City Hall was well filled last night to hear Doctor Burrows as he delivered a very forceful sermon on "Seeking the Lost." Among those present were Rev. J. W. Dawson, Rev. H. Pierce, and the Rev. Mr. Schurman. Taking as his text Gen. III: 9, "And the Lord called and said, Where art thou?" he briefly related the incidents in the lives of Adam and Eve, and their fall, and then made the sermon of practical value to the needs of those who were listening. He pointed out the way in which people tried to hide from God. "Some try to hide behind formality, but formality will not hide you from the eye of God," he declared. "Every person has a good start in life, but through the entrance of sin into their hearts that good start is blighted. "Every person has a good start in life," he declared, "but they blight it by allowing sin to creep in. No man is ready for the big things of life until he removes sin from his heart. There are people who are hiding behind excuses and excuses in the last analysis are but lies, but excuses are too thin to hide you from the Lord. No difference what you are trying to hide behind the eye of God will be able to penetrate it and at this time God knows just where you are."

At the invitation to surrender to God many came forward. Last night brought the total to nearly 400 professions.

**ERINS CHAMPIONS**

Win Honors in St. Peter's Y. M. A. Bowling League

The Erins are the champions of the St. Peter's Y. M. A. Bowling League. Last night saw the close of the contest for championship honors between them and the Maples, and the former were victorious before a large gathering of spectators. The winning team, which has been captained by James McIntyre, has been in the foreground all during the season, and has rolled consistently and well. Its members, besides Captain McIntyre, were Walter Cronin, James Duffy, George Elliott, John Hager, Otty Olive and George Creary.

Interest in the league has been well sustained. Last night the Erins won with a score of 1,287 from the Maples with a score of 1,280. The standing of the teams is as follows:—Erins won 67, lost 17; Maples won 60, lost 24; Shamrock 60, lost 25; Erimals 56 — 28; Micmacs, 51 — 39; Thistles, 48—36; Roses, 37—47; and Mallicets 31—53.

**BEING REPAIRED**

Many citizens in Indiantown were unaware last evening that there was a fire in the neighborhood until it was sounded "out." The new electric horn which was placed on the roof of No. 5 station in Main street had been taken down again to be repaired, and the sound of the ordinary bells did not reach Indiantown. The new horn will be placed in position again in a few days and will sound much louder than before. The new horn in the "valley" is giving great satisfaction.
