AYER'S CATHARTIC PILLS.

Are you sick, feeble, or complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms often precede serious illness. Some disease is coming on, upon you, and should be warded off at once by one of the right remedies. Take Ayer's Pills, and clear out the disordered humors—purify the blood, and let the fluids move on without clogging the channels with sickness. Then health comes easily, and cheerfulness returns. Such is the natural action of this purative, and with it the invigorating sensation of health restored. What is true of one is true of many. Almost every one needs a dose of this kind medicine now and then, to assist Nature in throwing off the dangerous elements that are ever accumulating in the human system. The seeds of future disease and suffering are sown in the blood, and they germinate in the seasons of their development, just as certainly as seeds in the soil. Corruption, concealed by vitality, ferments and generates the impure elements of which contagion breeds its victims by millions. Expel these impurities, and you have no disease. Keep your blood pure, and your health will be perfect against the assaults of any malady that may prevail around you. This is the reason why Ayer's Pills have cured, and are curing, the people of so many complaints, and why they are the safest protection against those more dangerous that may be lurking unperceived in the blood. Keep it pure, and all is well; but when impurity of any kind has fastened upon it, expel it, or it will expel you from the enjoyment of life. Ayer's Pills will do this for you, and they have cured many.

ASA ROBERIDGE.

As a Family Physic.

From Dr. E. H. Cromwell, New Orleans.

Your Pills are the prince of purgatives. Their excellent qualities engross my admiration and approval. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Lloyd, Baltimore.

Dear Sir—Ayer: I cannot answer you what complaints I have cured with your Pills better than to say: Bring me your worst cases of indigestion, or liver complaint, or dropsy, or even an affection of the skin, and I believe your Pills will do the best we have, I of course refer to those kinds

Dr. J. C. Ayer. Sir: I have much pleasure in ... of the great benefits any body can derive from the use of your Pills. I proceed to make Dinner Pills, which they cleanse at once.

Yours with great respect, ED. W. PRINCE, Chief of Steamer Curtis.

Bilious Disorders—Liver Complaints.

From Dr. Thacher Bell, of New York City.

Not only are your Pills admirably adapted to their purposes as an aperient, but I find their beneficial effects upon the liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any other remedy I use. I cheerfully respond to that which is purative which is ... by the confidence of the profession and the people.

Department of the Interior, Washington, D. C., 7th Feb., 1856.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease or obstinate type it did not readily yield to them. Fraternally yours, ALDEN B. MASON, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhœa, Molar, Worms.

From Dr. J. S. Brown, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery, and diarrhœa. Their sugar coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

Dr. Ayer: I have used your Pills with extraordinary success in my family, in curing those I am confident in vital disease. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known; and I can confidently recommend them to my friends. Yours, J. V. HIMES.

Warsaw, Wyoming Co., N. Y., Oct. 23, 1855.

Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountain of the blood.

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as effectual as I have, they should join me in proclaiming to the world the benefits of this pill to those who suffer from that complaint, which, although bad enough in itself is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Wm. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion, when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hewitt, of the Methodist Epis. Church.

Pulaski House, Savannah, Ga., Jan. 6, 1858.

Honored Sir: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of an excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

Eleazer Chambers, Baton Rouge, La., 5 Dec, 1855.

Dr. Ayer: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SIBLEY.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

A PRINTING OFFICE FOR $10!

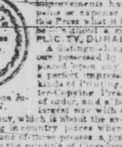
The Press for the People!

Every Man his own Printer!

LOWE'S PATENT

PORTABLE PRINTING PRESS.

A silver Medal



This wonderful invention was patented in 1858 by Mr. Lowe, since which four many valuable improvements have been effected upon it, so that it now stands before the public as the Lowe Press Par Excellence. It is a perfect success, and will print from 1,000 to 1,500 impressions an hour, which is about the average rate.

Persons living in country places where there are no printing offices near will find it a profitable investment, as a large part of the printing of Circulars, Business and Visiting Cards, Labels, Handbills, &c. &c.

Those who wish to learn a good trade, and at the same time be laying up money—those who wish to complete their education (for who so intelligent as the printer?)—apprentices who wish to advance their interests and at the same time pay for their board, will find time hang heavy upon their hands—printers off with a foot, cheap, and reliable job press, in fact, all who want to improve their condition, will find it to their interest.

Printed directions, giving all the particulars as to working the press, with other information in regard to the press, will be sent on application to any address by mail or telegraph.

All those who have our presses with the old fashioned wooden roller can have them exchanged for those with metal ones, with the other improvements.

Our presses may be exchanged at any time during twelve months, and other articles sold by us, if not satisfactory, may be returned within thirty days.

All kinds of printing material furnished to order at manufacturer's prices. Electrotyping, Stereotyping, and Wood Engraving executed in a better and more expeditious manner than at any other establishment.
