MANAGERS' REPORT FOR 1898.

The Managers in presenting their Annual Report for 1898, do so acknowledging God's goodness to us as a congregation.

We are pleased to note that there is an increase in the weekly offerings, both open and by envelope, over last year, which is very encouraging, and we hope it may result in a short time in our current expenses being met by this method of contributing towards the support of the ordinances, and leave all contributions from other sources to reduce the floating debt of the Church.

We received in open collections.....\$ 977 47
From envelopes 3,783 08

Total..... \$4,760 55

This is an increase of \$7.73 in open contributions, and \$44.51 in envelopes, being a total increase of \$52.24 over last year.

There are 343 members who use envelopes with the following results:—

1	contributes	\$4.00	per Sabbath—	\$208 00	per year.
