this moment [1843], have conferred on the country, advantages beyond our power to estimate.' The Chief Superintendent of Education, himself successively a Grammar School boy, and a Grammar School Master, writes thus, in 1861, with equal truth and force: For more than forty years the Grammar Schools were the highest educational institutions of THE undersigned begs to call the attention of the public to the facilities he possesses for doing neat work, and the advantages offered to ADVERTISEES in the Columns of

The Ingersoll "Chronicle."

It is the oldest Paper in the County of Oxford, being now in the fifteeath year of its publication, and contains Thirty Two long Columns, to which we are compelled to add a large Ten-Column Supplement, during the greater part of the year, to meet the requirements of our patrons. On the Editorial Staff the best talent is engaged, and its Local and Selected Items comprise all the passing events of interest of the day. Its circulation throughout the County and Province Is much larger than that of any other paper published in this section, thus affording to advertisers a medium for publicity which cannot be equalled in this part of the Dominion.

TORSON THE SEARCH SHAP TO THE BERK IN THE BERK however, the effective comparison of the learned President Cornwall Grammar School is we believe, entitled to add to its list of Chie Justices an able puisne judge in the person of the late Mr Justice J. Jones. And among our JOB PRINTING. Having lately added to our JoB PERITTING DEPARTWEST & large number of new and elegant Styles of
Type, Cuts, &c., we are prepared to execute in a manthe living representative men, Cornwall Gramman School can claim as her pupils, Mr Chancelloi Vankougnet, Hon. J. S. McDonald, &c. King don of Job Work required, such as Vankougnet, Hon. J. S. McDenald. &c. Kingston Grammar School has also a long catalogne of men of mark, whom she can claim: Hon. J. A. Macdonald, Sir Heary Smith, Hon. A. Campbell, &c. &c. In truth, there is hardly a Grammar School which has attained any age that cannot point with pardonable pride to the distinguished success of its pupils. Surely schools which have conferred on the Province two generations of eminent men now deserved.

HOLLOWAT'S OINTMENT AND PILLS.—WI en a sore, or ulcer, or abscess, has become chronically seated in the leg it is considered very difficult to eradicate. Hospital treatment rarely accomplishes a cure in these cases; yet, there never was a case discharged as "incurable" from a public institution, which Holloway's Ointment might not have healed if applied according to the directions. As chronic ulceration implies a taint in the blood, it may be as well to take a dose of Holloway's Pills now and then to purify that fluid. Sold by all directions was "conceived in sin and shapen in netion was " conceived in sin and shapen in druggists. influgity. "It has been well described by a contemporary as "an Augean stable of fraud, despotian and incrumptency." 782t EXAMINATION

TEACHERS.

Ingersoll; Aug 20, 1868. A RE a safe and reliable remedy in all diseases of the Stomach, Liver and Bowels. They are no quack medicine, purifod up by high sounding techniques from madely medical transfer and the state of the s forty years' experience of a first-class physician, and heir extraordinary success is due to the lact that they swere exactly their name. The formula from which ey are prepared is based on sound, scientific princies, and has received the unqualified approbation of e medical profession. They do not profess to be a reall, but for all diseases arising from any derangent of the Stomach, Liver and Bowels, they furnish an ectual remedy. We have mour possession over one undred testimonials from physicians who have used em in their practice and highly approve of them, nong which are the following:—
The undersigned physicians cheerfully certify to the gh professional standing of Dr. Colby, of Stanstead, eof the oldest and best physicians, and to the ex-
