that the committee rise. This motion, if carried, meant the defeat of the hill. Such a motion is non-debatable, consequently Senator was prevented Senator Bradbury from

GENEVA, June 9 .- The Interna tional Women Suffrage Alliance Congress today decided that the Alliance should be continued to secursuffrage and equal rights with men for the women of all nations. This decision was put in the form of an amendment to Article II. of the constitution. The amendment says: "Resolved that the object of the

"Resolved that the object of the Alliance shall be in the future to se-cure enfranchisement of the women of all nations by the promotion of women suffrage, and also such other reforms as are necessary to estab-lish real equality of liberties, status and opportunities between men and women."

TO DECIDE ON SATURDAY

Hull Electric Company will take as the result of the abortive conference held yesterday between the mem-bers of the men's committee headed CANADIAN GOV'T EXTENDS

women." The delegates declared their be-lief that the declaion would be re-ceived happily by the Parliaments and men of all countries, as well as by the women.

HULL ELECTRIC EMPLOYES

What action the employes of the

by Mr. Jose, Neel and Mr. G. Gordon Gale, general manager of the com-pany, to discuss the employes de-from a maximum of 41 cents an well as an eight-hour day, will be determined at a mass meeting of the employes which will take place at midulath Saturday in St. Joan Bap-tiste Hall. The trend of, opinion among the employes is againet a strike, and this opinion will likely be reflected in a decision to apply to the Minister of Labor for the appointment of a Con-ciliation Board. Perhaps there is no one item con-meeted with our economic life that would surprise us more than a know-tied e of just what excess burdens the day's work actually carries. **The Sign of Quality**

had worked as a subordinate. Federation's Ideals. 'The very, name of American Federation of Labor is not fully under stood by many of eur people in Caw ada,'' continued the Senator. 'This term, American, brings to the mind of many, the great republic to the south of us and in the minds of our people, outside the movement, the A. F. of L. is a United States or ganization, and your coming to Cau-ada will be a reminder to millions of people in this country that the A. F. of L. a Tederation covering the American continent, and not the United States alone. It will remind Inted States alone. It will rendin hem that there are over 300.00 them that there are over 200, members of trades unions affilia with the federation who are resid and eithers of Canada. It will mind them of the fact that the ca. of labor is universal. It, will remi-them that determination to obti-juritee at the hands of employ-and of Governments is also unive al. Many years ago, from human Lirian motives, the American Fe set very high idea and for years has been persisten oursuing that goal which it had for itself. The federation has m renderful progress, and has me nd received the commendation ect of millions of two North America

this convention hers at this time is going to be a great service for the advancement of proper, same labor principles and policies in the Domin-ion of Camada as well as in the United System. "There is need for a better under-standing and a fuller knowledge of the purposes of this great organiz-ation in this country. Unfortun-ately, there are those whose inter-sets seem to them, to make it desir-sable, to misrepresent, unfortunately 1920 Property Taxes Must be Paid on or before 15th June instant To obtain the Discount for prompt payment to misrepresent, un ome cases, wilfully m able, to misrepresent, unfortunation in some cases, withuly misrepress the aims and purposes of this gri-federation. There are some, a they are rapidly growing less, amo the class of employers who w intimate to you and to us and the public generally that the fe-eration is an organization that used by American employers a capitalists for the disadvantage Canadian employers, and industri Nothing is further from the fa-energy for the theory. Softhing is more d Business and Income Tax must be paid in full Wm. ROBERTSON **City Collector** as you know. Automis is now provided a share the fram that there should be an equal opportunity for both Labor and Capital in both countries on an equal footing, and nothing goes more to stabilize conditions than the stabilized with this federation. "On the other hand," continued the Minister of Labor, "there are many wage earners who seem to think or feel that the policies pursued by the international organizations affiliated with this federation are not unficiently progressive and drastic. To the other hand," continued the generation of the policies pursued by the international organizations affiliated with the federation are not unficiently progressive and drastic. To do the year esaying to workment: Do not of the country for some one else to use'. That fallacy ought to be dispelled and it made clear that these great international organizations, for you are sending your money out of the country for some else to use'. That fallacy ought to be dispelled and it made clear that these great international organizations, built up with years of care, have been and are one of the professor. "Du have come for the purpose of extending & an honert and sincere welcome on behalf of the functions myself. I shall not delay you with more remarks. I do hope discussions that are to take placates but that this convention shall mark a new fract in the advancement of laboring mer just due, and that there shall not delay in the delegates but that this convention shall mark a new fract in the advancement of laboring mer just due, and that there shall as a balle enton shall mark a new fract the profession and the mark and the second the profession and the mark and the there shall be the federation, and that there will be the profession and the mark indicate with union journalists.
