FIRST CHANCE FROM THE MANUFACTURERS, OWING TO THE FACT OF OUR BEING THE LARGEST PURCHASERS IN THE WEST, MEANS THAT

Our Customers Secure the Biggest July Bargains

TOR MANY YEARS our summer clearance has made July the busiest month of the year and the larger the business grows the more necessary it is to clear stock in this way, and be ready for new goods that are constantly being sent us from the fashion centres of the world. Being the largest distributors of merchandise in the West, we are able to get first chance, and our offers are usually accepted for "clearing lines" from the manufacturers at this season of the year. This feature is perhaps the most interesting as it enables our customers to purchase at greatly reduced prices stylish goods that are wanted for present wear. In previous years we have had departmental sales during the month at various times. This year all departments get Il into line at the same time.

AND WE EXPECT SUCH A SALE, THAT WILL CROWD THE BIG STORE AS NEVER BEFORE

Dress Goods Department

We do not remember having such startling values to offer our customers. The lateness in arrival has something to do with the low prices, and prices are made with the object of not having a piece of Spring Tweeds in stock at the end of July.
