Wie viele Eltern, die den erhabenen Beruf gum Priefterftande recht zu würdigen wiffen, tragen den sehnlichsten Wunsch in ihrem Bergen, daß Gott auch ihren Sohn zu diefem erhabenen Stande ausermablen mochte. Cange und flebentlich bitten fie den Berrn des Weinberges um diefe Gnade. Kein Opfer murde ihnen gu fcmer fallen, wenn fie nur das erleben, wenn fie nur dem bl. Opfer beimohnen konnten, das ihr Sohn am Ultar Gott dem Berrn darbringt. In febr vielen fällen fogar murde ein Derwandter gerne die Untoften auf fich nehmen, wenn fein Meffe oder Coufin fich dem Priefterstande widmen murde.

Uber warum foll man feine Opfer und guten Werke nur auf die eigene familie beidranten ? Ware es nicht Anmagung, unserem herrn und Schöpfer vorschreiben zu wollen, men er fich ju feinem Dienste erwählt und wenn unfere familie diefe Wahi nicht trifft, mare es dann nicht undantbar, wenn wir gleichgulftig gur Seite fteben und ans fcmollend gurudziehen wollen ? Wenn die allweise Vorsehung Gottes es nicht für zwedmäßig findet, einen unferer Ungehörigen ju feinem hl. Dienste auszuermählen, warum follten wir dann nicht einen armen frem den Unaben, den fie fich auserkoren und der Priefter, werden will, zu diefem behren Berufe erziehen helfen ? Ja, eine folde Cat, ein foldes gutes Werk ift das verdienstvollite, weil ihm nicht der Egoismus innewohnt! Denfen wir aber nur an uns felbft und mochten nur gur Erziehung und Musbildung unferer Eigenen beitragen, fo find unfere Opfer mehr ober weniger mit Selbstfucht verfnüpft und fie werden nicht von reinen und edlen Beweggrunden geleitet, namlich von Rudfichten auf die Ehre Bottes und das beil der Seelen

A SIMPLE OIL FILTER is made by suspending an old felt hat inside the rim of a can or other container. The brim of the hat is bent over and tied with cord to the outside of the vessel. The inverted crown is filled with oil, which filters through the felt, any dirt or other foreign matter contained in it thus being effectively removed.
