in nine out of ten of these little clubs the whole capital of the members must, by way of fines and expenses, in the course of three years pass into the pockets of the manage-A friend of mine-he bas lost a fortune at gambling, so I sappose he knows-informs me that baccarat is the most certain game in the world to win money at, if—you know when to stop. As the game is so delightfully simple in its procedure, no doubt the scientific part of it is that same knowledge, when to stop. This may have come in-tuitively to Digby, for night after night he won considerable sums of money. No very large amount at any [particular sitting; but forty, fifty, and once or twice a hundred, and once two hundred pounds. He had no reverses of fortune worth mentioning; so in

a short time he was envied by everyone as an undoubted favorite of the blind goddess. One of the most regular attendants at the club was a gay young stock-broker, who played high and merrily. He defaulted regarded to be as be some months afterward, and being unable week or two ago, to pay the six-and-eightpence, for which sum in the pound the London Stock Exchange permits its lame ducks to once more hange permits its lame ducks to once more e-enter its mystic precincts, he is at the present day a billiard-marker at an hotel. popularity is because it is absolutely pure One night, or rather one morning, this young fellow accompanied Digby from the club, never fails to cure biliousness, dyspepsia,

belated hansom was found. 'You're an awfully lucky fellow, Bournier,' he said, enviously. 'Never seem to get hit-never. 'Yes, I am lucky.' Digby spoke with the air of one who fancies his success is as much due to his own management as to chance. This is a common belief with winners. 'Wonder you don't have a wire-in at the

arkets while you're in this streak of luck. Y, ou might give me a turn, and make a pot L 'igby was not averse to making money, but he had a fear of operations in stocks and share s-he did not know a great deal about and he fancied most people burned their & agers, more or less, in touching them.
