### THE NATIONS EXCHANGING SYMPATHY

Washington, April 17.—President Taft today made public cablegrams received from the King and Queen of England and the King of Belgium, conveying their sympathy to the American people in the sorrow which has followed the Titanic disaster. The President's responses to both messages were also made public. The following was the cablegram from King George, dated at Buckinghamham:  
"The Queen and I are anxious to assure you and the American nation of the great sorrow which we experience at the terrible loss of life that has occurred among the American citizens as well as among my own subjects by the founding of the Titanic. Our two countries are so intimately allied by ties of friendship and brotherhood that any misfortune that affects the one necessarily affects the other, and the present terrible occasion they are both equally sufferers."  
(Signed) GEORGE R. V. President Taft's reply was as follows:  
"In the presence of the appalling disaster to the Titanic the people of the two countries are brought into community of grief through their common bereavement. The American people share in the sorrow of their King and beyond the sea. On behalf of my countrymen I thank you for your sympathetic message."  
(Signed) WILLIAM H. TAFT.  
The message from King Albert of Belgium was as follows:  
"I beg Your Excellency to accept my deepest condolences on the occasion of this terrible catastrophe to the Titanic which has caused such mourning in the American nation."  
The President's acknowledgment follows:  
"I deeply appreciate your sympathy with my fellow countrymen who have been stricken with affliction through the disaster to the Titanic."
