

Is Your Boy's Education Guaranteed?

WE hear much of men who, though poorly educated, made a success of life. These are exceptions! Don't be deceived by them!

How many uneducated men fail? How many educated men succeed? Statistics collected by the United States Bureau of Education show that education increases, enormously, a person's chances of success in life. Here are the facts:

"Uneducated laborers earn on an average \$800 per year for forty years, a total of \$32,000. High school graduates earn on an average \$1,000 per year for forty years, a total of \$40,000. This education required twelve years of school of 180 days each, that is 2,160 days in school. Now if 2,160 days in school add \$20,000 to the income for life, then each day at school adds \$9.02. Therefore a child that stays out of school to earn less than nine dollars a day is losing money."

Adequate life insurance alone can, in the event of your death, guarantee your boy an education. Make provision for your children's future by means of a policy in

Military Service Act, 1917.

EMPLOYMENT OF MEN IN DEFAULT UNDER THE MILITARY SERVICE ACT.

The following Regulations, recently approved by the Governor General in Council, impose strict obligations upon every employer TO ASSURE HIMSELF THAT EACH OF HIS EMPLOYEES OF MILITARY AGE AND DESCRIPTION IS IN POSSESSION OF DOCUMENTS PROVING THAT HE IS NOT IN ANY WAY IN DEFAULT UNDER THE MILITARY SERVICE ACT.

An employer who is charged with having a defaulter in his employ must be able to prove THAT THE MILITARY SERVICE PAPERS ISSUED BY THE REGISTRAR OR MILITARY AUTHORITIES TO THE EMPLOYEE IN QUESTION WERE PRODUCED FOR HIS INSPECTION at the time when the employee was taken into his employment, and that it was reasonably established to his satisfaction that the man was not in default under the Military Service Act. It should be clearly understood that the Canadian Registration Certificates given on June 22, 1918, at the time of general registration, in no way define the status of a man under the Military Service Act.

REGULATIONS.

"106. Every person who employs or retains in his service any man who has deserted or is absent without leave from the Canadian Expeditionary Force, or who is in default in the performance of any obligation or requirement for reporting or for military service, imposed upon him by the Act or Regulations, or any proclamation thereunder, shall be guilty of an offence punishable on summary conviction by imprisonment not exceeding six months, or by a penalty of not less than One Hundred Dollars, and of not more than Five Hundred Dollars, or by both such imprisonment and fine, unless such person prove that he made due inquiry and that THE MILITARY SERVICE PAPERS ISSUED BY THE REGISTRAR OR THE MILITARY AUTHORITIES TO THE MAN SO EMPLOYED OR RETAINED IN HIS SERVICE WERE PRODUCED FOR HIS INSPECTION, and that it was reasonably established to his satisfaction by such inquiry and papers that the man was not a deserter or absent from the force without leave, or in default in respect of any of the obligations or requirements aforesaid."

obligations or requirements aforesaid."

"106A. Every person who HARBOURS OR CONCEALS OR IN ANY WAY ASSISTS ANY MAN WHO IS A DESERTER OR ABSENT WITHOUT LEAVE FROM THE CANADIAN EXPEDITIONARY FORCE, or who is in default in the performance of any obligation or requirement for reporting or for military service imposed upon him by the Act or Regulations, or any proclamation thereunder, shall be guilty of an offence punishable on summary conviction by imprisonment not exceeding six months, or by a penalty of not less than One Hundred Dollars and of not more than Five Hundred Dollars, or by both such imprisonment and fine, unless such person prove that he was not aware and had no reasonable ground to suspect that the man so harboured, concealed, or assisted was a deserter or absent from the force without leave, or in default in respect of any of the obligations or requirements aforesaid."

COMMERCIAL MAN IN POLICE COURT

Did Not Have Military Papers But Allowed to go as he is Married—Liquor and Robbery Cases Heard.

Frank Cairns, Toronto, a well known commercial traveller, appeared in the police court yesterday morning, charged by the military police with not having in his possession any military service papers.

Cairns stated he was 37 years old, married, and on account of his age had not registered and since he was a traveller he did not carry his marriage license and believed the military police would never suspect him.

Major Starr and Major Gordon Johnson appeared on behalf of the militia for prosecution.

A citizen upon making an affidavit that he knew Cairns was married, the defendant was allowed to go.

The military authorities urged that a penalty of \$50, or thirty days in jail, be struck on Cairns, as he had not complied with the law, but His Honor concluded that since the affidavit furnished was good enough for the military authorities, he believed that it was good enough for the civil authorities and granted Cairns his freedom.

One man appeared on a charge of becoming drunk on lemon extract. He pleaded guilty and was remanded.

In the afternoon, due to the absence of Rev. W. D. Wilson, the liquor cases scheduled to come up were postponed until Monday afternoon. The four violators were informed of the fact and are now out on deposit.

John Fitzmaurice, charged with having liquor in his possession, was fined \$50.

Francis Connolly was fined \$50 on the charge of having liquor in his possession on Hilyard street.

J. Hayden was fined \$8 on a charge of drunkenness.

Minnie Burns, charged with having lemon extract on her premises, and with stealing \$10 from a returned soldier, was freed of the latter charge by suspended sentence, as the evidence was not sufficient for commitment, and was remanded on the liquor charge, which will come up Monday next.

Another violator of the liquor law was remanded to jail to await the arrival of the liquor inspector.

A resident of City Road, arrested a time ago by inspectors McAlain and Garnett, appeared to answer a charge of having liquor in his possession for sale. He was let out on a deposit until Monday as he was ill.

Two small boys appeared on a charge of stealing goods from Capt. Scammell's residence, 284 Douglas Avenue.

Capt. Scammell gave evidence, telling of the breaks made into his residence, while he was absent in Campbellton. Last August the house was broken into, but no material damage was done beyond the breaking of a window.

A week ago Sunday another break was discovered, and some articles stolen. Detective Bigliaccone was placed on the job and soon found the goods in the possession of the boys in court. The goods were then produced, including a Waltham watch, valued at \$22; four stickpins valued at \$38, and numerous other articles.

Entrance was made into the unoccupied residence by means of breaking the glass in an upper window and pushing up the lower sash. General has been issued when 14 windows on the back end of the house and some on the sides were broken by means of stones. The windows were double, as the owner had placed storm sashes on very late.

A door panel was hacked and chipped by means of a chisel or some other instrument. Capt. Scammell recognized one of the boys in a chitney had frequently given him money for piling up wood in his residence, and had rewarded him often for running little errands for him.

This concluded the evidence when the case will be resumed today. The boys were then remanded. It is felt that Capt. Scammell may not press the charge on account of the age of the boys, but nevertheless the parents may be obliged to make good all the damages to the house.

COL. WEDDERBURN NOW IN COMMAND

Took Over Duties as O. C. of 7th C. G. R. Yesterday—Other Late Military News.

Lieut.-Col. Wedderburn, mentioned a few days ago as the future commanding officer of the Seventh Canadian Garrison unit, was in St. John, took over his new duties yesterday.

The appointment is a popular one, as Colonel Wedderburn's past military career enables him to fill the position nobly, and congratulations on behalf of civilians who know his record, as well as of the militia, are being showered on him.

No change, it is stated, will be made among the junior officers of this unit as was rumored a short time ago. Captain Norman McLeod, 300 Watson street, St. John West, has been gazetted a major, according to recent word received by his wife. Major McLeod has been overseas three and a half years, and is the proud possessor of a military cross with medal attached. At the present time he is attached to the 5th Canadian Siege Battery, having been transferred from the ammunition column.

J. Louis Slattery, formerly of The Standard staff, and now with the Gazette, Montreal, has been seriously ill for the past few weeks, but is recovering.

153 Papineau Ave., Montreal. "For three years, I suffered great pain in the lower part of my body, with swelling or bloating. I saw a specialist, who carefully examined me and gave me several tonics to take, which did not help me. Then he told me I must undergo an operation. This I refused to permit. 'I heard about 'Fruit-a-tives' and the wonderful results it was giving because this medicine is made from fruit juices, so decided to try it. 'The first box gave great relief; and I continued the treatment, taking six boxes more. Now, my health is excellent—I am free of pain and swelling—and I give 'Fruit-a-tives' my warmest thanks.'"

Why Can't I Get To Sleep?

Thousands of people all over the country ask this question, but still continue to toss night after night on a sleepless bed, and it is impossible for them to get a full night's refreshing sleep.

Some constitutional disturbance, worry or disease has so debilitated and irritated the nervous system that it cannot be quieted except by the pernicious use of opiate or narcotic. Or again, you have heart palpitation, and sensation of sinking, a feeling you are going to die, or perhaps you wake up in your sleep feeling as though you were about to choke or smother, and the only way you can get relief is to sit up in bed.

To all who suffer in this way Milburn's Heart and Nerve Pills offer an inestimable boon. They bring back the much-needed night's rest by improving the tone of the nerves, strengthening the heart, circulating the blood, and making the whole organization act in harmony—then you sleep as peacefully as a child.

Mrs. Jas. L. Limer, 39 Leinster street, St. John, N. B., writes: "At night I could not sleep. I had to sit up in bed, my heart beat so fast, and when I walked up stairs I would get all out of breath. A friend recommended Milburn's Heart and Nerve Pills and after using two boxes, I can sleep all night and am not out of breath after waking."

Milburn's Heart and Nerve Pills are 50c. a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

NOTICE TO SOLDIERS ON HARVEST LEAVE.

Attention is directed to a recent announcement published in the Press by the Military Service Branch, Department of Justice, regarding extensions to be granted to men EXEMPTED AS FARMERS.

It is pointed out that this DOES NOT IN ANY WAY AFFECT MEN WHO HAVE BEEN ORDERED BY THE REGISTRAR TO REPORT TO Depot Battalions and who have thereafter received leave of absence from the Military Authorities.

Once a man has been ordered to report for duty by the Registrar leaves the jurisdiction of the Registrar and comes under that of the Department of Militia and Defence, and is to be considered as a soldier. This applies to men of the 20 to 22 Class who have been ordered to report by the Registrar in virtue of the cancellation of exemptions by Order-in-Council of the 20th April last, as well as to those ordered to report in the usual way on refusal of claim for exemption, or on expiration of exemption granted.

All men, accordingly, who have been ordered to report, and are therefore SOLDIERS, and who have subsequently been granted harvest leave by the military authorities, MUST, NOTWITHSTANDING THE NOTICE ABOVE REFERRED TO, REPORT ON THE EXPIRATION OF THAT LEAVE, unless they are notified to the contrary by their Commanding Officer or by general notice published by the Department of Militia and Defence.

AWAIT DAILY THE WAR BOARD AWARD

Dominion Express Company Employees Expecting Word to Arrive from Ottawa Regarding Investigation.

The employees of the Dominion Express Company await daily the award of the War Board, appointed by the Federal Government to investigate the demands of the employees, such was the statement made yesterday by two employees of the company. A short time ago the company and representatives of the men met, as was agreed by a concession at the time of the strike of the employees, but unfortunately no decision was arrived at.

The men then decided to go out on a second strike, which would affect 6,000 employees in the eastern division, until their demands were conceded to. A few hours before the strike was to be declared, each division received notice that the War Board was appointed to investigate, and decide the questions at issue concerning a wage schedule. Hence the proposed strike was called off and the war board took up the matter at Ottawa on October 16. This board a short time ago while in session notified each division that they wished until November 1st to make a thorough investigation, and give an immediate report on that date, or near that time.

The board was readily conceded to by the employees, who went about the matter in a quiet, sensible manner, and are now awaiting in suspense the award of this commission.

The award may be known today, and it is believed by the men in general that the findings of this commission will be entirely satisfactory to them, as was their work on the problems facing the Canadian Northern employees, who were given 75 per cent. of their demands.

A like comparison to the decision given the Canadian Northern employees is expected by the men in the eastern division of the C. P. R. employees, and the men hope to be able to announce this decision in a few days.
