**Overland**

Oh Boy!

The owner of an Overland owns all out of doors. In his Model 90 he goes in comfort and with an enjoyment possible only because of the high quality, fine appearance and unflinching performance of his car.

Last month in Oklahoma, U. S. A., a stock Model 90 Overland car broke the world's non-stop high gear record, 4,370 miles in 7 days and nights in high gear, over bad roads with a gas record of 20.66 miles per gallon.

This durability and economy is an every-day advantage for Model 90 owners—order yours now.

**The Path to Health**

For many thousands of women the Path to Health has certainly been through Lydia E. Pinkham's Vegetable Compound. When this great remedy was first introduced, and for many years after, skeptics frowned upon its curative claims, but as year after year has rolled by and the little group of women who had been cured by it has since grown into a vast army of hundreds of thousands—doubt and skepticism have been swept away as by a mighty tidal wave, until today this purely vegetable medicine is recognized as the greatest remedy for woman's special ills in the world. This is because it is a wonderful tonic and reconstructor which acts directly and favorably upon the feminine organization and is a specific for that purpose.

**Court Martial Was Continued**

Two Sessions Held Yesterday—Evidence Shows Col. McAvity Had Withdrawn \$889.83 from Canteen Funds and Loaned Committee \$7,000.

The court martial which is investigating alleged irregularities in the conduct of the Depot Battalion canteen met again yesterday in sessions which commenced at ten a. m., and concluded at 5.35 p. m.

Most of the morning session was occupied in the recording of the evidence of R. L. Curphy of the Bank of British North America branch of the Bank of Nova Scotia, regarding certain cheques, deposit slips and pass books which he identified.

Capt. F. W. Campbell, secretary of the newly organized regimental fund board, was the next witness. His evidence concerned the condition of the canteen committee finances as he found them to be, from November last to the present time. From his evidence it was shown that though the accused (the O. C. of the Depot Battalion) had withdrawn only \$889.83 from the canteen funds, he had made a personal loan of \$7,000 to the canteen committee to meet the pressing claims of various local merchants, from whom goods had been purchased. The accused seemed to rely upon the other members of the canteen committee for the proper conduct of the canteen.

Andrew Forsythe, manager of the Sussex branch of the Bank of Nova Scotia, and William A. Clarke, accountant at the Prince William street branch of the same institution, also gave evidence respecting the identity of certain pass books, cheques and deposit slips which enter into the case and are embodied in the official charges.

Court adjourned to meet this morning at ten o'clock.

**LIGHT OPERA COMPANY CLOSES**

Quartette of Entertainers Were Enjoyed by Good Audience in Y. M. C. I. Hall Last Evening.

The New York Light Opera Company, under direction of S. W. Dimock, scored a success in their final engagement in the Y. M. C. I. Hall last evening. The programme was of a lengthy nature, and comprised many catchy songs well rendered. Only four persons participated, the Misses Shaw, Lascheck and Schuler, with Mr. Eugene Lockhart. The latter added much to the entertainment in the final number of the programme, when he delivered "A Sermonette" from Little Bo-Peep, which created rounds of laughter. The engagement was under the auspices of the Catholic Girls' Guild. On the first evening of their performance few were in attendance on account of the outside attractions. However, last evening saw a well-filled house.

**RETURNED SOLDIER WAS DROWNED**

Anthony S. Proffit, Formerly in Government Engineering Service Here, Lost His Life in Powell River, B. C.

The sad news has come to the city of the death by drowning, April 29th, in Powell River, British Columbia, of Anthony S. Proffit, son of Isaac E. Proffit, who was formerly in the government engineering service in this city. The deceased, who was only twenty-three years of age, went overseas with the 1st Reserve from Vancouver and was later transferred to the 72nd Highland Battalion. He was grandson of Anthony Proffit, 61 St. David street, a half-brother of Lawrence Dow, of the Sugar Refinery staff, and a nephew of Sergt. J. C. Proffit, of the 85th Battalion band.

**SOMETHING NEW IN C. P. R. SUB-URBAN SERVICE.**

For years the Canadian Pacific have been operating a noon suburban train on Wednesday and Saturday between St. John and Westford. The train left the city at 1.16 p. m., and on the return reached the city at 4.00 p. m.

This same service will become effective this year on May 20th, and will continue until July 1st, after which date the train will run daily except Sunday, instead of Wednesday and Saturday only. This will continue until further notice.

The Wednesday-Saturday suburban train has been a very popular service in the past, and it is felt that suburbanites and others interested in country travel, especially Sunday school picnic parties, etc., will greatly appreciate the improved facilities now afforded by the railway company.

**Houston, Texas, Sheriff Comes Out For Tanlac**

"Money Could Not Buy the Good It Has Done Me," Says Prominent Official in His Statement.

"Money could not buy the good Tanlac has done for me, and I gladly recommend it for what it has done in my case," said Hon. Archie H. Anderson, of Houston, Texas, recently.

Mr. Anderson needs no introduction to the people of Texas, as he is unquestionably not only one of the most popular men that ever held public office in "The Lone Star" state. After serving as deputy sheriff of Harris county for twelve years, Mr. Anderson was elected chief of police of the city of Houston. He had occupied this office only a short time when the sheriff of Harris county died. Mr. Anderson's friends then persuaded him to make the race for the unexpired term of sheriff, to which he was easily elected. He was honored with re-election seven different times, and served the people in this important office for fifteen consecutive years. Four years ago Mr. Anderson declined re-election and retired to private life. He cast his lot among the people of Houston and is a large property owner and foremost citizen of that interesting and prosperous city.

"I was in a rundown condition," continued Mr. Anderson, "and had no appetite at all. I could hardly sleep at night and never felt like getting up in the mornings. I was so tired, I had the worst form of indigestion, suffered all the time from gas on my stomach and was continually belching up undigested food. I had to take my coffee without sugar as when I drank it with sugar I would just belch for hours. I would bloat and swell up like I was poisoned and suffered with neuralgic pains of the worst sort, and nothing seemed to help me only in a temporary way. I just can't tell you how I did suffer for the past four years and up to the time I began taking Tanlac, a few weeks ago.

"When I read the testimonials of some who had been relieved of troubles like mine, I felt like I couldn't make a mistake by taking Tanlac and it has done even more for me than I had expected. I began to feel better after taking my first bottle and have just now started on my third and I'm a different man already. I sleep like a log now and eat just any and everything I want without the slightest discomfort afterwards. I am glad to endorse Tanlac because it does the work, and I'm telling my friends just what I'm telling you. I never felt better in my life than I do since taking Tanlac. I am willing for you to publish my statement and let every suffering person who may wish to benefit by my experience with this great medicine."

Tanlac is sold in St. John by Ross Drug Co. and F. W. Munro, under the personal direction of a special Tanlac representative.
