the action of the governmnt. Even at this late day it should promptly investigate the whole matter and bring the guilty wretches to condign punishment. A people who could commit such a crime, and a community that would tolerate and cover it up, are unfit to be recognized as civilized. Fortunately, the frightful ulcer of Mormonism in Utah is in process of being eradicated, and the sooner

cess of being eradicated, and the sooner it is completely removed the better.

A "Black Friday" in Baltimore. Baltimore has had its "Black Friday," as well as New York. This time it last, the following houses went under with liabilities ranging between two and three millions of dollars:-

Lozear Brothers, wholesale grocers, of Exchange place, who went to protest on Wednesday and whose suspension was followed yesterday by that of the old firm of Kirkland, Chase & Co., heavy importers engaged in the West India and Brazil trade; J. C. Bridges & Co. and William engaged in the West India and Brazil trade; J. C. Bridges & Co. and William Boyne & Co., wholesale grocers on Commerce street, and A. A. Perry & Co., wholesale lumber merchants, extensively engaged manufacturing staves and shooks for the West India trade, and several other failures are reported to-day.

The Baltimore Sun says the houses all to have sufficient assets to meet their indebtedness, if realized. The American says it is generally believed that the suspension will be only temporary, and that most, if not all, of these houses will

cited great interest among the New no member of the party ever returning to tell the tale of the horrible slaughter.

The Mormons were suspected of the rifles, cutlasses, etc., for solf protection in the case of disaster in the China seas.

forth in various sections of the Province to render the School Act nugatory should decide the friends of the Act to stand more firmly than ever by each other and by the great measure of Education. The Freeman is again at its old tricks. It has no politics, except such After the fight had been going on for three or four days a messsenger from Major Lee reached Cedar City, who stated that the fight had not been altogether successful, upon which Lieut. Colonel Haight ordered out a reinforcement. At this time I was ordered out by Captain John M. Higby, who ordered me to muster "armed and equipped as the law directs." It was a matter of life or death to me to muster or not, and I mustered with the reinforcing troops. It was at this time that Lieuten-Telegraph of to-day relates how the As-I have some more remarks to make upon troops. It was at this time that Lieuterant Colonel Haight said to me that it was

of Portland upon all occasions. Number Four Ward is represented by was not Gold, but Coffee, that produced and Fisher, who, we think, are very fair the late Jubilee and the coming Concert, the panic and its failures. On Friday representative men, but the people of the etc :above district say without hesitation that The co-operation of nations was solicited ignored-no one to speak for their required and necessary repairs at this "board of assembled wisdom." Notwithstanding under command; the almost unanimous this state of affairs, this portion of the Ward has to bear its proportion—and more than a fair part every year-of the taxes and assessments of the Town. It seems unfair to tax a people who receive nothing at the hands of the Town.

It is understood that this portion of the Ward was promised by two of the present Councillors of the Ward, Messrs. Snider and Jarvis, at the inception of the Town, that they should immediately receive pro-

Though the Captain highly extols the value of the Suez Canal, he complains of the excessive charge for its use, the gross tonnage, rather then the registered tonnage, being taxed, a change in this respect having been recently made. The spect having been recently made. The field end of the constant of the case if these unfortunates who frequent this locality could not obtain liquor from these places. This is said to be the case almost every Sunday morning and during the time that Christians from the courtry around are on their way to their churches in the City, and the latter commenced beating the constables with their belts. Inspector Field received a blow on the head, which drew blood. The cry was raised that the soldiers were murdering constables. Men, women and children who remained to see the last of the fire, ran helter-skelter, pursued by must have a certain amount of demoralizing influence which should not be allowed to continue at any sacrifice whatever. It appears that these "roughs" think themselves secure in the locality from the clutches of the police. I have myself seen in this same locality, on a Sunday afternon, crowds of men and boys emerging from these bar-rooms in a disgracefully in toxicated condition, ready to offer insult to every body passing that way. Surely the Superintendent of the Portland Police must be aware of this. These debauchees when driven from the street betake them solves to the burial grounds above mentioned and make of them a rendezvous durjured and were taken to hospital—three of them being now in a dangerous state. Others were picked up along the streets and conveyed to the Harbour street police station. One man, William Reed, had three wounds on the head, evidently in-flicted by a hatchet, and a razor wound on The Toronto Mail explains that its demand for a more thorough organization of the "Conservative" Party means organization for attack on the Local Government of Ontario.
