IN the last edition it was announced that the Directory would be re-issued in September 1859. The time has now arrived for taking steps for such re-issue which the publisher would at once do without any preliminary, were it not for the loss he has sustained by the Canada Directory for 1857-58.

Above we present you with the likeness of Da. Morse—the inventor of Morse's Indian Root Pills. This philanthrophist has spent the greater part of his life in travelling, having visited Europe, Asia, and Africa, and North America—has spent three years among the Indians, of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health, and life depended upon the vital fluid. from impurity of the Blood—that our strength, health, and lite depended upon the vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action becomes thick, corrupted and discased; thus causing all pains, sickness and distress of every name; our health we are deprived of, and it nature is not assisted in throwing of the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various our light of life will forever be blown out. How important then that we should keep the various passeges of the body free and open. And how ple-sant to us that we have it in our power to put a rredcine in your reach namely, Morse's Indian Root Pills, manufactured from plants and roots which grow among the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these I'ills are made is a Sadorific, which opens the pores the pores of the skin, and assists nature in throwing diseased man One of the roots from which these Pills are made is a Sadorific, which opens the pores the pores of the skin, and assists nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage to the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bountfully by the urinary of water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills which engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in greater quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely root out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the ody becomes so pure and clear.

The reason why people are so distressed then sick, and why so many die, is because they lo not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence a larger quantity of food and other matter is lodged, and the stomach, and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery until life is taken from the body by disasses. Dr. Morse's Pills have added to themselves victory upon victory, by restoring millions of the sick to blooming health and

Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frages have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness pain and anguish, but they at once go to work at the foundation of the disease which is the blood. Therefore, it will be shown especially by those who use these Pills, that
