District and General.

Already four farmers of Harwich township have purchased tractors. The total population of Watford is 1,115 and the total assessment \$570,055. Woodstock bowlers are farming a piece of land near the city this summer. John Fleming of Aldboro sold his cattle the other day and realized \$5,600 on 36 head. Many village and township councils are passing resolutions calling for Government food control. Chatham Daughters of the Empire have pledged themselves to two meatless and potatoless days a week. A penny bank has been opened in the Leamington public school. The deposits first day amounted to \$42. John Fraser, for many years proprietor of the Fraser House, London, died last week in his sixtieth year. Privates N. P. Doyle, Wardsville, and J. P. Campbell and E. R. Peace, Rodney, are in the casualty list as wounded.

Charlie Marks, Watford laundryman, who was found in bed with his throat cut, confesses that he committed the deed himself. Mrs. Mary Ann Brewer, for fifty years a resident of Bothwell, died on Wednesday at the residence of her daughter, Mrs. R. H. Smith, London. Rev. J. W. Currie has resigned the pastoral charge of Blenheim Presbyterian church. Before leaving he was presented with a purse of \$150 in gold by the congregation. In order to conserve the supply of wheat the patriotic fund production committee of the Soo has written a letter to all bakers asking them to make whole wheat bread. The congregations of Melbourne and Riverside have extended a call to the Rev. P. Jamieson of Knollwood Park. The congregation of Knollwood Park have also offered Mr. Jamieson a call. According to town clerk McHattie of Petrolia, who signs a receipt upon delivery of dog taxes, there are only two dogs in Petrolia. Before very long it will be almost impossible to locate Petrolia.

Beans in Detroit, Friday, touched the highest price in their history when the sale of 100 bags was recorded on the Detroit Board of Trade at \$10 a bushel. Six months ago the prevailing price was \$4.50 to \$5. Thomas Simpson, a Howard township farmer, on finishing the delivery of nearly one thousand bushels of wheat at the Ridgeway elevator at \$3 a bushel, handed his cheque for \$100 to the local Red Cross Society. A movement is on foot at Strathroy to deposit the colors of the 135th Middlesex Battalion in the local Anglican Church. The colors were returned to the Strathroy armories when the battalion was broken up in England. A Wiarton preacher said, "If a German wishes to get into a better country, he comes to Canada; if an Irishman is going to emigrate, he goes to Canada; but if the Canadian wants to go to a better country, he has to die and go to heaven."

The Brant County Beekeepers' Association has refused the wholesalers' offer of ten cents a pound for their entire crop, and will likely market it themselves. They state that the cold and backward weather this spring has had a bad effect on the industry. Owing to the unprecedented rise in the price of foodstuffs and the urgent need for conservation, the usual dispensation of refreshments will no doubt be largely eliminated from social gatherings in the future. Already, one or two organizations have decided to cut out the "cake."

Strathroy council has purchased between 200 and 300 bags of potatoes, both for seed and eating. They will be sold at \$4.25 a bag. This price is regarded as a most favourable one, as farmers who brought potatoes to the town on Saturday took them home again when \$5 a bag was not secured. A pleasant event took place Wednesday afternoon at the home of Mrs. Margaret Gentleman, Middlemies, being the marriage of her youngest daughter, Jean, to John McKellar, son of Mr. and Mrs. Alex. McKellar, Ekfrid. The ceremony was performed by R. McKay of Cowal, only the immediate relatives being present.

The death occurred at the home of his son, William Purcell, Rodney, on Tuesday, May 15, of Dugald Purcell, in his 92nd year. The deceased was born in Argyllshire, Scotland, in 1825, coming to Canada in 1829 with his parents. After a six weeks' voyage on the water they landed at Port Talbot, settling on the 4th concession of Aldborough.

The death occurred on May 15th at the home of her brother, Daniel McKellar, Dunwich, of Miss Anna Bell McKellar, after a short illness, aged 74 years. The deceased was born in Ekfrid, where she resided until moving to Dunwich a few years ago. She is survived by two brothers, Lachlin, of Mount Brydges; Daniel, Dunwich, Cal three sisters, Mrs. Alex. Willey, Dunwich; Mrs. Geo. Watson, Middlemies, and Miss Bessie McKellar, Ekfrid. Three men were injured at a barn-raising at the farm of John Gallagher, Longwood. The barn was being jacked up when a timber fell a distance of twenty feet, striking Wilfrid Helm, George Seburn and John Gallagher. Helm was rendered unconscious by the timber, which struck him in the head, inflicting a bad scalp wound. Two of Mr. Seburn's ribs were broken, and Mr. Gallagher's leg was badly bruised. Dr. Dewar of Melbourne was telephoned for and was at the scene of the accident in ten minutes.

Reception for Soldiers.

Twenty-one soldiers home from overseas reached London on Sunday and were greeted on their arrival by several hundred citizens, and were entertained by the local branch of the Returned Soldiers' Aid Commission at the Military Hospital after a parade through the streets, headed by the A. M. C. Pipe Band. Among the number was Private E. J. Hurdle of Glencoe, who enlisted in the 135th Battalion and was returned on account of being over age for military duty. Arriving at Glencoe by the G. T. R. Limited Sunday evening Pte. Hurdle was met by a number of the citizens and members of the Patriotic Association and escorted to the home of Mr. and Mrs. Samuel Hart, by whom he was entertained. Addresses of welcome were delivered by J. C. Elliott, M. P. P.; Reeve A. J. Wright, J. N. Currie, president of the Patriotic Association, and others, and the usual presentation of ten dollars was made from the Returned Soldiers' Fund. Pte. Hurdle had been in England, orderly service while in England. When the 135th was transferred to other battalions he was rejected for the front on his being discovered that he was 61 years of age. Pte. Hurdle has a son, now at the front and another son engaged in munition work in England, and was anxious to do his bit himself. He can give no information as to the whereabouts of other members of the 135th, excepting Mont. Goulding, who is believed to be in Hamilton, having been returned for the same reason as in Pte. Hurdle's case.

Mission Circle Officers.

The first meeting of the Polyanna Mission Circle was held at the home of Miss Ethel Bechill on Monday evening, May 14th. An interesting programme was given and the following officers elected:—Honorary president, Mrs. R. Fulton Irgin; president, Miss Jean Baird; 1st vice-president, Miss B. M. Weldon; 2nd vice-president, Miss Ella Samson; recording secretary, Miss Ida Smith; corresponding secretary, Miss Pearl George; treasurer, Miss E. Fothergill; stewardship superintendent, Miss E. Bechill; mite-box superintendent, Miss Lydia Parish; heralds, Misses C. Hicks and S. Smith; superintendent of literature, Miss Jean McLachlan; press correspondent, Miss Margaret Baldwin. The young ladies of the Methodist church are cordially invited to attend these meetings, which are held at the homes of the members on the second Monday of each month.

Field Crop Competition.

The Mossa & Ekfrid Agricultural Society will hold a field crop competition in Dent corn. The amount of land must not be less than five acres. \$75 will be given in prizes—the first \$20, the lowest \$1. An entry fee of 50 cents will be charged on each entry. Any person wishing to compete will send in their entry to R. W. McKellar, Glencoe, not later than June 12.

New Inspector Glencoe Boy.

The Indian Head (Saskatchewan) News comments in a congratulatory way on the appointment of W. J. Stevenson, for 11 years principal of the Indian Head Public School, as inspector of public schools. Mr. Stevenson was born in Glencoe, and was educated in Glencoe High School, London Normal School, and also graduated from the Hamilton Central College. He is a son of the late Robert Stevenson, saddler, formerly of Glencoe, who died recently in Toronto. His appointment as inspector was recently made by Deputy Minister of Education R. M. Blacklock of Saskatchewan, and follows a splendid record as principal.

Fatal Result of Colt's Kick.

While following his occupation as a horse surgeon on Sunday and Saturday afternoon, Hugh T. McLachlan, one of the best-known residents of Mossa township, was kicked in the stomach by a young colt and died from the effects on Sunday at his home, where he was taken after being injured.

"Larry" McLachlan, as he was known familiarly, was one of the brawny pioneer Scots so many of whom in this section were esteemed for their industrial worth and integrity of character. He was 74 years of age and leaves two daughters, Flora of Detroit and Katie in the West, both of whom are married, the marriage of the former taking place in Detroit on Monday just prior to information reaching her of her father's death. Mrs. McLachlan died in January of last year.

Plow Follows the Sword.

Mrs. David McArthur has an interesting letter from her cousin, George E. Thomas of Napier, who is with the Canadian Transport Service in France. Writing on April 28th, he says the people there are busy seeding, working in fields which two weeks ago they sowed late corn. "Of course," he says, "your papers have told you all about that, and also the way that so many 'Bosches' are being marched down the roads. We get the English papers and continental edition of the Daily Mail, but I would like to see how the old 'Kintian' papers read. Was just watching a battery going up, with their band leading them, also an enjoying a concert given by another band located a few rods from my residence. By the way, what do you think of the 'Kintians?' The Bosches seem to like them pretty well, as they often stretch out their arms and address them as 'Kamaraden.' They have been doing some pretty good work recently, as you will have read; but it has not been without some cost, though nothing to what it has cost the Hun. You should hear the din that our guns make up here at times. One wonders how anyone expects when such a barrage creeps over the Hun lines. If these repeated smashes continue I think that the Hun military machine will soon have to seek refuge from the rage of a duped and disappointed populace. We sometimes wonder among ourselves how it has been possible to drive them up as often as has been done. Must be a lot of facts kept from the masses. Don't guess that our lads would 'carry on' quite so energetically as they are doing if we were frequently backing up a few inches; do you? What do you think of the recent exposure of 'kultur' in the utilizing of corpses for oils and hog feed? Don't know that I can write any more now. There are lots of letters which I would write about if I could, but they will have to wait a few months. Perhaps I may meet you at London Fair and tell you some of them, or perhaps it will be at some later date. Please excuse the black on the paper, as our 'range' smokes a heap."

Dunwich Resident Dead.

Mrs. McEhren of North Dunwich died on Monday in her 84th year. She was born in Dunwich and lived there all her life. Her husband, Finlay McEhren, died 24 years ago. She is survived by three daughters and one son, John and Kate at home; Annie May at Toronto, and Lizzie, a nurse at Saloniki. Three brothers, J. A. Kerr, Dutton; Thomas Kerr, Dunwich; Joe Kerr, Bay City, Mich.; and two sisters, Mrs. Duncan McIntyre and Mrs. Trueman Welsh, Dunwich, also survive. The funeral was held from the residence on Wednesday to Simpson's cemetery.

Comparatively few farmers in Ontario generally are availing themselves of the proffered loan from the Ontario Government.

"Remember that the eyes of the potato are upon you," says the Boston Transcript. Yes, and remember also that the eyes of the bugs are upon the potato. Washington has decided that men of military age who have married since a state of war was stated to exist will not escape their obligations, but will be treated on the same basis as unmarried men.

A varied assortment of Vimy trophies such as machine guns, mortars and field guns, are being prepared by the military authorities in France, to be shipped to Canada. These will be a feature of the fall fairs. About 4,000 Ontario members of the I. O. O. F. have enlisted for overseas. In the last semi-monthly assessment notice sent out by the Oddfellows' Relief Association the names of seventeen brethren are given who were killed in action.

At the annual convention of the Western University, London, on Thursday, degrees were conferred on twenty-one persons and many scholarships and prizes awarded to successful students. In spite of the war great progress is being made by the University. A two hundred acre site has been purchased for new buildings.

A Gray County exchange announces that it will publish each week a full page advertisement of a Toronto departmental store, and goes on to say: "It is not our desire to advertise outside firms, but if our home merchants do not appreciate the home paper enough to give it the support that it merits and outside firms like our space well enough to buy it, we feel that it is good business to sell what the other fellow wants."
