1872 DUNDAS E. MISS.

This is one of those weeks that I am going to apologize for the lack of a long column and would ask you to please take note of the many ads on this page to keep up with what is going on.

A combination of many things including a bad back has made this necessary this week but everything should be back to normal by next week.

A new hotel has opened as well as a couple of restaurants and there are some changes in others but it will have to wait until next week.

The final touch, the placing of the statue in the middle of the new Amici Dining Room in the new Carlingview Airport Inn on Carlingview Dr., is done by (left to right) Ed Dambruskas, manager; Jack Guenzi, food and beverage manager and general manager Tony Jacobelli. This beautiful Italian dining room is scheduled to open along with the lounge today. The 108 rooms in the hotel are already open to guests.

Runway 23

Runway 23 is the long, velvet room atop the Skyline Hotel! And it's standing by with the kind of relaxed atmosphere you'll enjoy after work or before dinner.

With the airport right outside your window, the view is panoramic. And if you stay on, the entertainment is top-flight as well. Come and enjoy. Dance. Or just sink into the cushions at Runway 23. Plenty of free parking.
