

## Honeymoon in Bermuda after Clarkson wedding

A Bermuda honeymoon followed the wedding of Janice Donkin, daughter of Mr. and Mrs. A.J. Donkin, Clarkson, to Peter Straeter, son of Mr. and Mrs. J. Straeter, Germany.

Church, Clarkson.

The bride, given in marriage by her father, wore a gown with an Austrian lace bodice and full sheer sleeves and a satin skirt. She carried a bouquet of yellow freesia and baby's breath.

Maid of honour, Mary Swallow, Clarkson, and

bridesmaid, Lorette Fabricant, New Jersey, both wore peach-coloured gowns with flowered sheer skirts and carried bouquets of white, yellow and peach daisies.

The junior bridesmaid, Nicole Young, Clarkson, and the flower girl, Tracy Jasas, Toledo, Ohio, wore pink

cotton sheer dresses trimmed with white lace and carried baskets of daisies.

Best man was Peter Donkin, brother of the bride, and the usher was Michael Gray, cousin of the bride.

Mr. and Mrs. Straeter are now living in Etobicoke.

### Forest Glen

The ladies of the Forest Glen Softball League are nearing their semi-finals. M and C Fashions won another game by beating Fieldgate Shell, 10-3. On the other diamond, Guaranteed Weed lost to Sew 'n Tell, 15-1. The winning pitchers were Marie Mostovoy for M and C and Marg Sullivan for Sew 'n Tell.

Don't forget to come out and cheer the ladies on in the semi-finals that begin Sept. 5. The second game will be Sept. 11.

#### IN THE DARK

There are still no lights at the Fleetwood Park diamond. The Parks and Recreation Department reports that the lights were promised for Aug. 1 then Aug. 15 but Ian Scott has said now that he hopes they will arrive by Sept. 1. The ladies are hoping too since that is where their double header games are scheduled to be played.

#### WINNING

The Forest Glen Juvenile team is doing well these days. Eight teams were in the Etobicoke League and they finished second. Top honours go to Applewood. They are to start their finals the beginning of September.

#### MEDICAL CENTRE

The Mississauga Medical Centre on Fieldgate Drive and Bloor Street has increased its services. At the beginning, the centre offered the assistance of two fine doctors. Dr. Michael Walmsley joined about three months ago and now Dr. Robert Chow and Dr. Daniel Van Rhign are here as well. Forest Glen residents are lucky to have such a fine team at our service. We no longer wonder: is there a doctor in the area?

#### SEWING

Dressmaking, tailoring or working with knit fabrics is for the fall. Pauline Gould-Corney is trying to organize a sewing course for women in the area. An experienced teacher who has been doing a sewing-tailoring show on cable television, has offered to teach some of us. If you are interested, please call Mrs. Gould-Corney at 625-5801.

#### NEWS

Summer is nearly over, the Canadian National Exhibition is on and it is the time that clubs and organizations start again. Please feel free to have your secretary contact me or send me your news items for this column because my news is your news.

#### BROWNIES

The 9th Brownie Pack will have their first meeting at St. Alfred's school on Havenwood, Sept. 21. This pack is full right now but does have a waiting list. If your daughter is seven years old and would like to join Brownies, call Mrs. G. Sterling 625-7034.
