Land respectively marked on plan: Reserve 24 A and Reserve 24 C has a dense growth of spruce and other soft wood, and the surface covered with loose fire stone.

Mr. Scott who now owns about 80 acres of land adjoining Indian Reserve No 24, and formerly owned by Hector G. McKinnon, whose name is marked on plan, has said lot of land for sale. About one half of this land is arable, and the rest covered with soft wood. The price asked by him for said land is twelve hundred dollars.
