OFFICE OF
ABB WILLSON
CHAIRMAN

Sharon Dec 18 1912

Hon W L Mackenzie King

Dear Sir

I am awfully sorry at the result of the Election after all the time and expense that you have been put to besides the abuse and slander that has been heaped upon you, but let me assure you that you will always have my greatest respect.

I am enclosing you a statement of the Poll of No 2 East Gwillimbury which is a triple better than I gave you sometime ago. We did the best that we possible could do under the present Voters List

Trusting that you are well and that matters may look brighter some future day

I am yours respectfully
Abb Willson
Sharon
