Dear Arthur:

I have just received your letter indicating that Dr. Silcox is about to make a trip to England. I assure you it will give me very great pleasure to see him and if I am feeling fit I will arrange to bring him out to my home for the night. I thank you for sending me the extract from a letter received from our friend Hugh Clarke. It is priceless and what is more, very very true. I was remarking about it a few days ago.

Yours faithfully,

The Rt. Hon. Arthur
