

the difficulty on the subject  
 Mr Superintendent Johnson  
 has however been informed  
 that these statements of timber  
 cut in respect of four years  
 actual worked volume in the  
 woods, left out of manufacture,  
 but in mind with him in that  
 manner, provided they be  
 as before the day reported  
 for which he called not  
 the same as the previous of  
 one year then brought  
 your obedient servant  
 J. M. Johnston

J. M. Johnston  
 Ottawa & Apin

Sir

I have to regret that  
 you will not receive any  
 licenses which you have  
 issued for the cutting of square  
 timber without reference  
 to me; as the policy of  
 the Department is to increase  
 the making of all Pine  
 timber on Indian lands into  
 saw logs.

Mr. Reuther Esq.  
 Acting Supt. Woods  
 Indian Affairs
