

"FAIRWEATHER" FINE FURS

HAVE WON ALL
THE "MEDALS"
AT THE "FAIR"

The "HIGHEST AWARD" comes our way every year, so that to-day we can display a "string" of medals yards long which attest the merit of the goods we produce as manufacturing furriers.

We are making the finest exhibit this year that it has been our pleasure to make at the Fair, and in doing the Manufacturers' Building be sure to look it up. It's at the **East Side and nearly opposite the Eastern Entrance**, and there is a competent fur man in attendance to give you all the information you may wish about the fine furs we make and sell.

We extend a special invitation to you to visit our downtown show-rooms--the pleasure will be all ours to show you through our magnificent stock--you need feel under no obligation to buy.
