

SEASONED SECURITIES

This Corporation was established in 1855, and for more than sixty years has been steadily growing in strength and in the confidence of the depositing and investing public. In that long period there have been "hard times" as well as seasons of prosperity, but the moneys entrusted to our keeping have always been ready when called for.

The Corporation's bonds are, therefore, a "seasoned security." They are issued in accordance with the restrictive provisions of the Corporation's Charter and also those with which the Legislature circumscribes the investment of Trust Funds. More than Eleven Million Dollars of Shareholders' Money are a further pledge of their security.

These bonds may be had in sums of One Hundred Dollars and upwards.
