WE HOLD THE RECORD.

RATHBURN CO.'S FARMS.

The Silage Cutter and Blower purchased from you has given the utmost satisfaction. It does its work in the most efficient manner, does not require the amount of power some blowers do. In filling our large silo, 30x30 by 35 ft. high, seemed to require no more power than if only half that height. Cut from 10 to 12 tons per hour easily.

Respectfully yours,
