THE NATIONAL CREAM SEPARATOR

Manufactured by the **Raymond Mfg. Co. of Guelph, Limited,** manufacturers of the celebrated **RAYMOND SEWING MACHINES.**

The National combines all points of merit that are of real practical service to the everyday operator on the farm. Most simple in its construction. Convenient and easy to operate. Skins the cleanest; makes the sweetest cream; no numerous parts to give trouble and delay when washing; only two pieces inside of the bowl. Strong and durable, made of the finest material, so as to give the most lasting service, and most beautiful in design and finish. Every machine is guaranteed to do good work, and a trial of the "National" is solicited before purchasing. The already large sale of the "National," and the growing demand for it, shows how much the Canadian farmers appreciate a Canadian-made machine that does its work so easily and well, and at the same time returns such a large profit on the small investment.
