NEW CALEDONIAN UNION

On March 25 a meeting was held in the Caledonian school house, near Sedgewick, for the purpose of organizing a local branch of the U.F.A. J. L. Sparrow, district director, occupied the chair and opened the meeting with an interesting address on the work of the Association, at the close of which it was decided to organize and that this be called the Caledonian Union. The officers elected were Jas. Barty, president; Chas. Weir, vice-president, and J. C. Bridges, secretary-treasurer. Three directors were also appointed. Eleven subscriptions were handed in, four more promised and two members are to be transferred from another union. Great interest was shown by those present and it is hoped that this branch will prove a success both in its business and social work. The next meeting is called for Friday, March 31. At the close of the proceedings a hearty vote of thanks was given J. L. Sparrow.

OTTAWA LOCAL HOPEFUL

Another new union, to be known as the Ottawa Local, No. 223, was organized on March 22. Fifteen members were enrolled. The following officers were elected: President, F. Lane; vice-president, A. McKee; secretary-treasurer, T. H. Brown. Owing to the unsettled weather and the bad condition of the trails the attendance at this meeting was not large. The next meeting was fixed for April 5, and it is hoped that a good crowd will be on hand.

CO-OPERATIVE BUYING

Hindville Local Union, No. 546, held three monthly meetings during the past quarter, which were fairly well attended. At the February meeting the delegate who attended the convention spoke to the members of his experiences and observations at same. The union has purchased strychnine, formaldehyde and plow shares co-operatively.

INTERCHANGE OF SPEAKERS

A well attended meeting of the Edwell Local, No. 53, was held in the school house on Wednesday evening, March 22, at which several ladies were present. The chairman introduced H. F. Lawrence, of the Pine Lake Local, who contributed an intensely interesting paper on the origin, life and destiny of man. His paper was very much appreciated and those who were present carried away something to think about. The interchange of papers between the Edwell and Pine Lake Locals is becoming quite a feature. A hearty vote of thanks was accorded H. F. Lawrence, who had to drive a long way over roads which were in a very bad condition in order to help out the program.

Victor Jansson has forwarded us a check for \$67.00 in aid of the Red Cross Fund, with the compliments of the people of the Peerless district. This amount was raised at a basket social and dance at the Peerless school.

With the aid of A. A. Hall, district director, Kersey Local Union, No. 248, was organized on March 23, eleven members being enrolled.

NEW WOMEN'S BRANCH

The Sun Prairie Branch of the United Farm Women of Alberta was organized on Saturday, March 25, with a paid up membership of twenty. Mrs. Campbell, Miss Stirling and four other ladies came over from Cayley and helped them to get started. It is hoped that several other ladies will join at the next meeting.
