

District Dashes

A recent issue of the Bath (Eng.) Herald contained a number of pictures of wounded soldiers who were undergoing treatment at the hospitals. The familiar figure of Jack Bradley, of Tweed, was amongst the group and to say the least he is looking his finest. In a letter to his parents he says that he is having a grand time and to take short walks. By the tone of his letter it is very evident that Jack will not return to Canada alone as little cupid has been busy during his stay in England and a happy event is looked forward to.—Tweed Ex.

Tweed lacrosse team defeated Madoc in that village on Monday by a score of nine goals to six. This fixes the schedule of group six in which the home team won six straight victories. The boys are to be congratulated for such a brilliant success and they will no doubt accept of the nearest trophy as a practical demonstration of appreciation of their season's achievement.—Tweed Advocate.

Baby Jane Thompson, infant daughter of Mr. and Mrs. J. Thompson received last week a souvenir of St. Ignace Camp, England. It was a neat little gold "Baby" pin sent as a remembrance by Mr. Jack Hammett, of Tweed, who is with the Overseas contingent. On the bottom of the card were these words, "Just before leaving for the Dardanelles." The gift is highly prized and will serve as a memento of the great Titanic struggle in which the donor is to participate.—Tweed Advocate.

Deseronto, it is rumored, is to have a new industry in the near future, a company having purchased the property on the boundary road which formerly belonged to the Non. Nitro Powder Co. and also forty acres of land adjoining it, where they intend to start making and loading shells on a large scale. This will be quite a boom for the town, as they will employ a large number of men.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in the 20th century. That is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment.

Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

Summer Heat Hard on Baby

No season of the year is so dangerous to the life of little ones as the summer. The excessive heat throws the little stomach out of order so quickly that unless prompt aid is at hand the baby may be beyond all human help before the mother realizes the danger. Summer is the season when diarrhoea, cholera infantum, dysentery and colic are most prevalent. Any one of these troubles may prove deadly if not promptly treated. During the summer the mother's best friend is Baby's Own Tablets. They regulate the bowels, sweeten the stomach and keep baby healthy. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brookville, Ont.

P. Donovan Join Police Force

Mr. Patrick Donovan, G.T.R. constable at this place has been appointed police constable for Belleville in succession to Constable Thompson, who has enlisted with an artillery unit. Constable Donovan was formerly a member of the police force and left to take the position of the G.T.R. Constable Thompson's resignation was accepted by the Commissioners today.

Young Boy Passed Away

Leonard Calnan, aged 15 years died yesterday at his parents' residence in the second concession of Amherstburg. Worms in children, if they be not attended to, cause convulsions, and often death. Mother Graves' Worm Exterminator will protect the children from these distressing afflictions.

Married in Toronto

O'BRIEN-POSTER The marriage took place very quietly in St. Patrick's Church, Toronto, on Tuesday morning of Miss Elizabeth Foster (Beth), daughter of Mr. and Mrs. J. Foster, Belleville, to Mr. Hayden O'Brien, son of Mr. and Mrs. J. O'Brien, Toronto. Rev. Father Barry, officiating. The bride, who was given in marriage by her brother-in-law, Mr. J. Kearns, looked charming in a navy blue tulle dress with hat to match. Miss Stella Foster attended her sister, while Mr. Ross O'Brien supported the groom. Immediately after the ceremony Mr. and Mrs. O'Brien left for a short trip to western points, and upon their return will reside at 485 Baskerville St., Winchester Apts.

HORSEWHIPPED LITTLE TOT

Woman Made Six-year-old Girl do Housework

Oakville, Aug. 21.—In the Police Court yesterday before Magistrate Shields, Mrs. Laura Kemp was charged with assault on a six-year-old girl, Annie Baquet. The child appeared in court bare-footed. Her tiny legs were covered with bruises said to have been inflicted by defendant with a horse whip because the tot failed to wash the dishes and do other tasks to the satisfaction of the woman who left her alone in the house. Mrs. Cyrus Anderson, a neighbor, rescued the child and gave it shelter. Defendant was found guilty and fined \$5 and costs, a total of \$17.50. The child had been placed in the Kemp home by the Children's Aid Society of Toronto. At the close of the trial the child's new-found friend made application and was granted the right of adoption by Magistrate Shields.

The Sand-Lime Brick Plant

Turning the first sod for the foundation of the new brick plant at West Point was done under most auspicious conditions in the presence of from 300 to 400 people on the grounds of the Company at West Point on Friday last.

L. V. Stevens, President of the Company, arrived at Wellington on Thursday evening, accompanied by a number of ladies and gentlemen from Buffalo and surrounding points to be present at the ceremony.

A number of motor boats loaded with people went over from Wellington on Friday morning, and on their arrival were greeted by a large crowd who had come in with automobiles, carriages, motor boats, etc., from the surrounding country. The foundation had already been staked out and the ceremony took place on a high bank of sand overlooking the location of the buildings.

Mr. James Hyatt, one of the old settlers at West Point, was chosen as chairman, and he performed the duty in a most happy manner. The ceremony was opened by prayer by the Rev. W. Archer of Wellington, followed by an interesting talk by the chairman, Mr. Hyatt, after which short addresses were given by L. V. Stevens of Buffalo, N. Y.; W. P. Niles of Wellington, Ont.; Adams of Picton; Rev. Barstow of Rochester, N. Y.; Rev. Bumpous of West Point, and Rev. C. R. de Penier of Oshawa. After the very entertaining addresses had been listened to, the turning of the sod was gracefully done by little Miss Stevens, the 9-year-old daughter of Mr. and Mrs. L. V. Stevens of Buffalo. The day was most propitious and everything promised well for the new brick plant.

Construction has already been commenced and the first building 40 x 120 feet will be completed at an early date.

This undertaking has been made possible by the completion of the new harbor at Wellington, which places the company in a position to deliver their bricks to any point on Lake Erie or Lake Ontario as far as St. Lawrence River points as well as to the interior cities in northern New York, by Erie Canal from Oswego, N. Y. Deliveries will be made by the company before the winter, thereby bringing the freight rates down to the very lowest point. It is expected that the factory will be running this fall.—Picton Gazette

5 Gunners Left for Barriefield

Lieut. Gerald Jenkins, 34th Battery recruiting officer, has enlisted the following men for the 33rd Battery, Kingston.

- Gunner C. Way, Gunner G. H. Carver, Gunner H. Fletcher, Gunner J. Ayres, Gunner J. Smith. These recruits left this morning for Barriefield.

Belleville Branch of the Canadian Patriotic Fund

The Treasurer begs to acknowledge with thanks the following payments since added to the lists published up to the 14th of August: J. W. Barlow 10.00, J. T. Warren 5.00, T. H. Coppin 10.00, J. Pantor and Son 25.00, Vermilyea and Son 50.00, T. H. Marshall 5.00.

Nancy Hanks Dead

Famous Horse Who Long Held Championship As Trotter Lexington, Ky., Aug. 19.—Nancy Hanks, 2:04, champion trotter from 1892 to 1894, died yesterday at Hamburg Place, the estate of J. E. Madden, who purchased the horse several years ago to pension her until her death. She will be buried in the cemetery at Hamburg Place where other famous horses have been buried. Nancy Hanks was foaled in 1888.

Miller's Worm Powders are sweet and palatable to children, who show the hesitancy in taking them. They will certainly bring all worm troubles to an end. They are a strengthening and stimulating medicine, correcting the disorders of digestion that the worms cause and imparting a healthy tone to the system most beneficial to development.

Vegetables a Plenty

From Saturday's Daily.

A finer array of the season's vegetables has not appeared in Belleville than was shown at the market this morning. Almost every variety was represented and of the former were large in size. Potatoes, tomatoes, corn, apples, cabbages and so forth are reaching their maturity and naturally today's market would have been a most successful one had not the rain come. The lowering sky early this morning kept a good many farmers home and the rainfall began before many of the townspeople had left their residences to go to the market.

Few changes were manifested in prices. Butter was not offered in large quantities and sales were made at 35c. Eggs, which were quite plentiful, were quoted at 22c per dozen. The threatening weather and the farming conditions kept the new hay market down to one load. It sold at \$14 per ton.

New No. 1 best hay is quoted at \$15 to 16 per ton wholesale and No. 2 at \$14 to 15.00. Apples are beginning to be quite a feature. The Duchess variety was offered in some quantity today at 80c per peck. These apples were very large.

The wholesale buyers are paying \$1 to \$1.50 per barrel in the orchard. They report the crop only about 60%. No special reserves are given for the small crop. Buyers will be shipping some every week now.

A report from Ottawa received today says of Prince Edward County conditions "Quality of apples scarcely fair and some orchards quite scabby. Fruit nearly all bought. Quite a large proportion bought up by jump sales for winter apples packed for export. In group 3, mostly 2.50. Sales by the barrel on trees are from \$1.00 to \$1.25 tree run. Some lots of Duchess were sold at \$2 f.o.b."

The southern part of Sidney has a fair apple crop though not even so plentiful as that of Prince Edward County. Buyers are devoting their attention just now to Duchess and snows in the orchard.

Pears, a new feature on today's market, were held at 30c per peck. Some fine celery was offered at 50c per head.

Cucumbers were plentiful at 5c per dozen and upwards. A few pumpkins, a quantity of vegetable marrow, and plenty of onions were offered.

Green corn was more plentiful than previously and prices were lower, 10c per dozen for sweet and 3 dozen for 25c of the "chill" corn.

Crate apples were offered by some farmers at 75c per bushel. Tomatoes were large and prices are down to 40c per peck.

Plums are going to be scarce this season. Best quality measures are being used for them. Eight cents per box was the price.

Honey is marketed today at 12c to 13 cents.

Cabbage sells at three heads for ten cents and Chinese cabbage, a new vegetable to this district at 5c per head.

Shoats were held today at \$6 per pr. Hogs, live, are quoted at 8.75 to 9.00 and dressed at 12.25 to 12.50. Mutton is quoted at 13c per lb wholesale. Spring lamb is selling at 18c per lb side. Beef is worth \$12 for hind quarters and 11 to \$12 per carcass.

The flower market was a good display of asters, gladiolas, roses and ferns. Asters were sold at 25c doz; gladiolas 50c doz; and roses \$1 doz. Chrysanthemums and daisies were also numerous today. Large ducks sold at 75c each and chickens 50c each. Poultry by the pair are worth \$1 to 1.30.

Very little new wheat of quality has come into town, the grain not having hardened sufficiently for milling. Some that has been sold in town brought \$1 per bushel wholesale. Sprouted wheat is selling in some small quantities.

Old oats are almost used up in the district. They are very high in price.

OBITUARY

MRS. GILES VAN BLARICOM

After 57 years of married life, and being 77 years of age, Mr. and Mrs. Giles Van Blaricom, 25 Parkside, Belleville, Ontario, died within one week of each other. Mr. Van Blaricom passed away on August 12, and Mrs. Van Blaricom expired from pneumonia on Thursday, August 19. They were former residents of Prince Edward County, removing to Toronto six years ago. Both came of United Empire Loyalist stock, their ancestors settling near Picton. They are survived by seven children, of whom Mrs. Chas. W. Keck, Mrs. A. E. Tibbs, and Miss Sarah Van Blaricom, reside in Toronto. Interment will take place in Sidney Township near Trenton, in a cemetery laid out over sixty years ago by David Van Blaricom, father of Giles Van Blaricom.

Field Kitchen for the Front

A special meeting of the Daughters of the Empire was called for Monday afternoon last to discuss the providing of a Field Kitchen for one of the newly organized battalions. A large number were present and much interest was shown in the discussion of different schemes for securing the sum required for a first class Field Kitchen. Subscription lists will be placed in the Gazette Office and Times Office, and citizens of the town and county are urgently solicited to put down their names for as generous an amount as possible towards this much-needed convenience for the comfort of the men at the front, who are fighting for our country. The lists will close on Sept. 4th, two weeks from Saturday next, with a Field Kitchen Day, particulars of which novel fête will be in our next issue.—Picton Gazette.

LOSING HOPE WOMAN VERY ILL

Finally Restored to Health By Lydia E. Pinkham's Vegetable Compound.

Bellevue, Ohio.—"I was in a terrible state before I took Lydia E. Pinkham's Vegetable Compound. My back ached until I thought it would break. I had pains all over me, and I was nervous, nervous and nervous. I was very weak and I was losing hope of ever being well and strong. After taking Lydia E. Pinkham's Vegetable Compound I improved rapidly and today am a well woman. I cannot tell you how happy I feel and I cannot say too much for your Compound. Would not be without it in the house if it cost three times the amount."—Mrs. CHAS. CHAPMAN, R. F. D. No. 7, Bellevue, Ohio.

Woman's Precious Gift. The one which she should most zealously guard, is her health, but it is the most often neglected, until some ailment peculiar to her sex has fastened itself upon her. When so affected such women may rely upon Lydia E. Pinkham's Vegetable Compound, a remedy that has been wonderfully successful in restoring health to suffering women.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

Pass Junior Matriculation Examination Results for 1915

The following list contains the names of the candidates who were successful in whole or in part on the junior matriculation examination. Normal entrance candidates who were also candidates for matriculation have been considered in the results.

In group 1, under each county, are given the names of those who have obtained complete matriculation by passing on the 12 required examination papers.

In group 2, under each county, are given the names of those who have passed on at least nine of the papers required for complete matriculation and have obtained the minimum required on the whole examination.

In group 3, under each county, are given the names of all those candidates who have failed to obtain the minimum required on the whole examination, but who have obtained 40 per cent on each of at least eight papers with an average of 60 per cent on the same. Such candidates have been awarded partial matriculation, and in order to complete their matriculation must obtain at one examination 40 per cent on each of the remaining papers with an average of 60 per cent on the same.

Famous Actor Buys 1000 Island Home

James K. Hackett, the well-known actor, has purchased "Woodland," a fine summer place about a mile above Clayton, N.Y., and will make it his future summer home. The property is situated on the mainland, and is a short distance above Barlett Point. It was the property of J. Herbert Johnston, New York, and until two years ago was his summer home. At that time the place was closed and he built a large mansion on Long Island, where he has been spending his summers. This is one of the most desirable pieces of property on the river, as it is finely built, and, being on the mainland, is easily accessible by either automobile or boat.

Obsequies of Late Samuel Stocker

The obsequies of the late Samuel Stocker took place on Thursday afternoon, the Rev. J. N. Clary, of Holloway Street Methodist Church, and Rev. A. Martin officiating at the residence, Charlotte street. The funeral was very largely attended by the friends of the unfortunate victim of Monday's drowning accident and by members of the Ancient Order of United Workmen of which deceased had been a member. Interment was in the family plot in Belleville cemetery. The bearers were Messrs. W. H. Melbourne, Chas. Walters, Mark Sprague, Geo. T. Woodley, J. Hudgins and A. E. Bailey. Many beautiful floral tributes had been received from friends of the late Mr. Stocker.

PROHIBITION DURING THE WAR

(Extract from Vancouver World). British Columbia is shortly to be asked to prohibit the liquor traffic during the war. A convention is to be held in this city in a few days and a campaign will then be outlined and plans for its prosecution made.

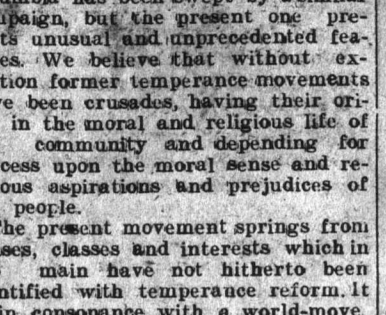

This is not the first time British Columbia has been swept by a similar campaign, but the present one presents unusual and unprecedented features. We believe that without exception former temperance movements have been crusades, having their origin in the moral and religious life of the community and depending for success upon the moral sense and religious aspirations and prejudices of the people.

The present movement springs from causes, classes and interests which in the main have not hitherto been identified with temperance reform. It is in consonance with a world-movement remarkable in its extent and arresting in its significance and power. It is supported by the church, but it is not a church movement. It has gathered within it forces and influences which former crusades left untouched and cold. One has only to move about in the business community of this city and province to be convinced how comprehensive is the extent of the present sentiment. It is noteworthy that it has passed almost in advance of the former fighting line of the temperance movement and has taken charge of the situation with a directness and masterfulness which has carried it to victory in lands which seemed to have little in common in such matters. Undoubtedly the war, responsible for many disillusionments, accounts for the present conditions. And so, British Columbia, its patriotic impulse finding expression in men and money, in guns, in comforts for trenches and hospitals, cannot fail to mark the anomaly of an ancient custom and a great industry, making for inefficiency and providing an apparent sinkhole of sheer waste, at a time when our reduced resources are being tried to the limit and when the prospective duty of caring for the wounded and maimed and of the dependent of our dead is constantly before every reflective mind. The present campaign, will, therefore, be an economic one. Through-out the province it is being fostered by shopkeepers, miners, professional men, mill hands, lumbermen, farmers and business men of all kinds. The candid opinion of most sensible men today is unmistakably in one direction, namely, that no country at all at war has any business permitting the continuance of a trade which imposes unnecessary burdens on industry and commerce and entails worse ravages than war itself. That opinion, the world shares, and pursuing its policy of supporting all efforts for the common good, it will lend every influence it possesses to a movement which asks for the suspension of the liquor traffic during the present war and its restoration afterwards only by the expressed will of the people. JOHN NELSON, Publisher.
