SCROFULOUS AFFECTIONS, &c.

In all these distressing and prevalent cases, there is no question regarding the efficacy of this Medicine, as eminent Physicians of this city, write as follows:—

Dr. Sherwood's Galvanic Embrocation, I regard as the most efficacious of all remedies in Scrofulous Affections. One of my children, a daughter of 8 years old, was afflicted with a very inveterate and protracted Scrofulous affection, which had continued its ravages nearly two years, various remedies were tried but without effect.—The disease exhibited itself in several deep-seated sores, the discharge from which was acrimonious and very fetid. At this crisis, I commenced the treatment with Dr Sherwood's Galvanic Embrocation—the only remedy used in connection, was a decoction of Sarsaparilla, which soon conquered the disease, and a complete cure was effected.
