Wm. P. Croome
An Esteemed Resident is Called Home—Well Known in Co.

Many friends will learn with regret of the death of William P. Croome, who passed away at his late residence on the Mt. Pleasant Road on Sunday morning, Jan. 11th. Mr. Croome was born in Bristol, England, 1842. He was educated in England and came to this country in his early boyhood, and settled in Brant County he was always interested in work which was a benefit to his country and at one time he was an active member of the Township Council and at his death he occupied the position of manager of the Ontario Free Labor Bureau. In politics he was a staunch Conservative and served his party well. During his long and tedious illness he bore his sufferings with great patience and fortitude and passed peacefully away with all his children present with exception of Chas., who was unable to get here. He was pre-deceased by two wives, the first being Rebecca Greenwood by whom six children were born; the second wife was Helinda Wood by whom seven children were living. Those who are now left to mourn his sad loss are: John of Stone, Wash; Mrs. John R. Williams, of Calgary, Alta.; Charles Bellingham, Wash; Mrs. James Humphrey of New York City; Mrs. Leslie Wood at home; David F. of Winnipeg; Mrs. C. A. Richardson, Haverhill, Mass.; Allen J. of this city.

Mr. Croome was a man of great force of character and of very keen mind. His comments upon public affairs showed alert interest and capacity and politically he was one of the old guard on the side which he espoused.

Messrs. Doherty, Brown, Scherritzberg and other residents of Charing Cross road, petitioned the City Council this morning against the purchase of the William property for small-pox purposes. BURGHESI ISSUES HIS MANIFESTO

Is Strongly Out for Abolition of the Saloon in City of Montreal.

[By Special Wire to The Courier]
MONTREAL, Jan. 12.—His Grace Archbishop Brochu, in a powerful sermon at the dedication of the Church of St. Tusebins Sunday morning, gave unstinted praise to the Quebec Government for its new license legislation and the royal license commission for their report, which enlightened the government in the shaping of the new law. "We have too many saloons, it is a crying evil, and we all note with pleasure that the government will reduce the number by over 120," he said. "I am glad of the greater power given to the license commissioners to withdraw the license when the law is violated. The government has done much in the cause of temperance. It is the solemn duty of all citizens to help the government in its temperance legislation. Do all in your power to lessen the number of saloons in your parish. Wipe them all out if possible. Let temperance reign in each family. Let the father of the household be a model of temperance and sobriety. Let the blessings of temperance radiate from this parish church and let its holy and powerful influence be felt in each family."

JACK CANUCK IN COURT AGAIN

Justice Middleton Gives Him 2 Months to Pay Costs of Recent Trial.

[By Special Wire to The Courier]
TORONTO, Jan. 12.—"I think I'm not going too far in what I'm doing, therefore, I want you to live up to the indulgence!" remarked Mr. Justice Middleton this morning after giving R. Rogers, editor of Jack Canuck two months in which to pay \$175 costs in the libel action brought by E. J. Bird, formerly controller of Hamilton.

If the costs are not paid in the time named, his Lordship intimated that the editor would have to take his consequences.

"Le Mr. Bird be not taboored," warned Mr. Justice Middleton. "You must be no reference to him. You mustn't talk about him as a man with feathers or in any other manner."

T. N. Phelan, who appeared for Mr. Bird, objected to several recent references by inuendo to his client. This, he declared, was in direct violation of the terms on which sentence was suspended.

Editor Rogers declared that if it were possible for him to withdraw his plea of guilty at this time he would do so. "I poor fool, that I was," he remarked, "had to go and commit a crime against myself."

"The an does not appreciate the opportunity you gave him," declared Mr. Phelan.

"I have a latent fear that his attitude is 'I will not pay,'" commented the judge. "If there had been an honest endeavor to pay these costs, I think they would have been paid."

Mr. Phelan urged the necessity for maintaining the dignity of the court. "These costs are going to be paid or punishment awarded," commented Mr. Justice Middleton.

DIRECTORS WERE CHOSEN SATURDAY

New Piano Case Company Has Bright Prospects for the Future.

The first meeting of the shareholders of the Brantford Piano Case Company was held Saturday afternoon at the offices of the Greater Brantford Board, Mr. R. E. Ryerson in the chair. The by-laws of the company were adopted and directors elected as follows: Mr. Phelps, president; Mr. W. D. Schultz, vice-president; Mr. Joseph Ruddy, secretary; Mr. W. M. Charlton, treasurer. The work on the new factory on Alice street, back of the Wm. Buck shops, is being rapidly rushed to completion. The building is 200 feet by 68 ft. with boiler room and dry kilns. The factory will cost \$35,000. Quite a large number of men will be employed from the start, as the company is already assured of a number of orders from the big C. A. Richardson, Haverhill, Mass.; Allen J. of this city.

Mr. Croome was a man of great force of character and of very keen mind. His comments upon public affairs showed alert interest and capacity and politically he was one of the old guard on the side which he espoused.

Will Shoot Dynamiters On Sight

[By Special Wire to The Courier]
PRETORIA, Union of South Africa, Jan. 12.—The shooting of dynamiters at sight is to be a feature of the martial law to be proclaimed tomorrow throughout the Transvaal and the Orange Free State, and the proclamation is to be otherwise also of a most drastic character.

The Government purposes making an attempt to resume the full service of trains on all the railroads, and in order to safeguard the railroads the train crews and the passengers the regulations usually imposed only during a state of siege are to be introduced.

Bourassa to Run For Mayor

[By Special Wire to The Courier]
MONTREAL, Jan. 12.—A delegation was to have visited Mr. Henri Bourassa yesterday to ask him to run for mayor, but this step has been postponed for a couple of days.

Alderman Lavriere is among the supporters of Mr. Bourassa, and he said last night that every effort would be used to bring him out. The law at present provides that to be a candidate for mayor a man must have resided in the city for twelve years; but although Mr. Bourassa does not qualify in this respect his friends point that there is a proposal now before the Quebec Legislature to amend the law so as to provide that any man who has been in business in the city for twelve years may run for mayor no matter where he resides.

While turning the corner at Dalhousie and Park Ave. on Sunday morning, one of the sleighs of the Hygienic Dairy Co. was turned over. Bottles were broken and the milk flowed freely. The horse, becoming frightened started on a rampage, but luckily was caught after running one block.
