GRAHAM ONCE MORE.

Hon. Mr. Graham is the right-hand forts of their own homes. man of Sir Wilfrid Laurier and he is the Ontario end of affairs.

He is the man who went to Quebec ships more on the look out than ever. and fold the people there that French-Canadians had a school grievance in this Province brought about under Tory auspices, and he is the man HEAVY who handed out a report with regard to a recent Liberal caucus in Toronto relating to conscription and Laurier's leadership, which more than one participant afterwards stated was a di rectly misleading record.

Graham last week addressed a meeting in Renfrew and the following ex tracts are taken from a report of his speech as contained in the Ottawa Citizen:

"He had voted for conscription as a desirable measure to have on the statute book if necessary, but that he did not think that with Sir Wilfrid Laurier at the head of the Governbec and conduct a successful recruiting campaign."

What a spectacle this presents.
