**W. A. A. to Give
Another Dance**

On Friday Feb. 10th what proved to be one of the biggest and one of the best social events of the season was held on the big Gym floor of the Roller Rink in the form of a dance under the above auspices, when about 80 couples from Waterdown and District were the guests of the W. A. A. A. And the above organization can prove by careful supervision that there is perhaps no better place to display the fineness of your breeches than the ballroom, resplendent with the gay gowns of women, and enchanting with the ease and gracefulness of dancing couples, here galantry of true gentlemen and the grace and delicacy of cultivated women assert themselves, here you can distinguish yourself either as a person of culture or a person of boisterousness. There is no getting away from the fact that youth must be served and it is to that end that the W. A. A. A. is formed to give to the young the pleasures which is their heritage in a clean lady like and gentlemanly manner, we are all willing to admit that the world is a harsh judge but it is a just one. It will not tolerate the man or woman, boy or girl who break the conventions of society at the dance and with these conventions before them the W. A. A. A. are going to stand sponsors for another dance to be held on Friday Feb. 24. Special invitations are extended to the parents of the young ladies and gentlemen of the town and district, the gallery at the north end of rink will be reserved gratis for their use alone.
