SATURDAY'S STORM

On Saturday morning a high wind prevailed and a snow storm commenced which proved the worst of the season. By noon the roads were piled up and the freight trains and afternoon trains over the C. V. R. and the Midland to Truro were cancelled. The snow kept piling up until by Sunday morning about 14 inches had fallen. The evening train from Halifax arrived here at 8.30 and the express from Yarmouth was stalled at Waterville and did not reach Kentville until 3 o'clock Sunday morning and proceeded to Halifax arriving there at 8 a. m. Yesterday the railroads and country roads were cleared.

A Defeat and A Victory At Halifax

On Saturday last the Co-Eds of Acadia took the early train for Halifax and there met the Co-Eds of Dalhousie University in a match game of Basketball. The game was well contested but the ladies of the Halifax University proved too strong for Acadia the score being 16-10 for the former.

The Horton Business Academy Hockey team also went to Halifax on Saturday morning and met the team of Halifax County Academy in a fast game of hockey. The visitors proved too strong for their opponents and Horton Academy won score 4-5.

The day in Halifax was one of the stormiest of the season and the train returning with the players of both teams was stalled at several places, reaching Wolfville at 8 o'clock p. m.
