The choir of the First Presbyterian church will begin rehearsals next week—date to be announced later—for "The Sermon on the Mount," an oratorio by T. Shepherd. The rendition will require about 50 minutes to one hour's duration. The choir will be augmented to 50 selected voices, and there will be a second part to the program. The music is exceptionally pretty and timely, and is of a brighter and lighter nature than St. Augustine's, which was so successfully rendered by this choir last Easter. The choir will probably produce "The Stabat Mater," by Rossini, next Easter.

## VISITED CHATHAM

The private car of R. L. Borden, K. C. M. P., leader of the Conservative party, arrived in this city from Windsor via C. P. R., at an early hour this morning, and was taken north on the Pere Marquette to Sarnia, where Mr. Borden will speak tonight.

The car was in the city several hours and Mr. and Mrs. Borden and party had breakfast at the Hotel Garner, James Clancy, M. P., is also of the party.

H. S. Clements, Dr. Thornton, Ward Stanworth and several other leading local Conservatives called upon the leader. The Maple City gentlemen were delighted with Mr. Borden personally.

"Most approachable statesman I ever met," remarked Dr. Thornton afterwards. "He is very kindly and genial without any of that affectation or assumption which sometimes mars public men."

Mr. Borden stated that he was exceedingly well pleased with his trip and the reception extended to him. The visit to Western Ontario has been a pleasure, and the great Conservative leader is very much taken with Western Ontario.

## DIVISION COURT CLERK

Henry Dagneau is circulating a petition to-day to have the First Division Court Clerk's office in Harrison Hall. He is getting a good number of signatures and it is met with favor wherever it is presented.

There are many reasons advocated in the petition why the Division Court Clerk's office should be in Harrison Hall. In the present office there is no vault or safe, or other fire and burglar proof place for keeping documents, and judgments to the amount of several thousand dollars held by merchants, manufacturers and persons in the vicinity of Chatham are recorded in the Clerk's office. Bills, notes and other valuable documents are also on file in this office and the destruction of this office by fire would mean thousands of dollars loss to merchants, manufacturers and others who have judgments recorded in this office. Then, too, all of the other civic officers have offices in Harrison Hall, and it is generally thought that this office should also be located in Harrison Hall. The petition will be presented to-night at the City Council meeting.

## Trimmed and Ready to Wear Millinery.

Dame fashion has provided this year an unusually rich variety of styles and wealth of colorings for the deft milliner's fingers to convert into becoming head-dress, and, as we aim in this store to share exclusive styles, never duplicating a hat for another customer, an early inspection and selection is advantageous. But whether you wish to buy or not you will be welcome.

### Ladies' Jackets

First showing in the new styles will be here for you to see. We have been extremely fortunate in our Jacket buying this season as many novelties have been produced in the last 30 days, and all our American jackets have been made specially for us during this month. We want every jacket buyer this season to see the special value we are showing at \$10.00.

### Children's Jackets

One of the hardest things to procure is nice looking, nice fitting and good wearing Children's Jackets. We believe a certain German manufacturer excels all others in these respects, and we have an extensive collection of styles here.

Special showing during the opening in Dress Goods and Silks, Kid and Fabric Gloves, Ladies' Lingerie, Fancy Waistings, Fancy Linens, French Flannels, Carpets and House Furnishings.

Your welcome to look anywhere and everywhere all over the store.

## Where do you buy your CLOTHES

This is a very important matter, and still many men appear to think it of consequence. They buy just anywhere they happen to see something that strikes their fancy. But there's a difference in stores as well as in clothes. Some stores go in for "cheapness" others for quality. Which do you prefer? "You pay your money and take your choice. If it is smartness of style, perfection of fit, thorough reliability, at a fair price, this is the store for you.

### A Hat for Every Head

Fall Hat Soliloquy—How much better it is to get (of us) a \$3 Hat for \$2 than it is to get a \$2 hat for \$3.

Come here for your Fall Hat, and see the new styles and we'll show you what's what.

Our \$2 Derbys and Fedoras are sold everywhere at \$2.50 to \$3.00.

Our Great \$2 Hat Value beats 'em all out.
