WHAT IS GOING ON NOW

LEAFS LOST THE GAME.

Newark Won by One Run in the Twelfth.

Montreal Twice Beaten by Jersey City.

Other Games in Three Big Leagues.

Toronto, July 21.—Sometimes baseball is very serious, sometimes it is a grand joke, and the Toronto-Newark farce yesterday surely comes under the latter classification.

There was a little good baseball in the pot pourri, but there was so much bad that the joke classification goes. In one inning, the second, all but one of the Newark batters faced the twirler, and in the Toronto half of the same round all of the Leafs went to bat at least once, and "Kid" Mahling rambled up to the edge of the base and delivered a single each time.

AT MONTREAL. Jersey City won two games from Montreal yesterday. Merritt's pitching was too much in the first, and in the second the Skeeters made a show of the Royals. In the opener Montreal did not get a hit off Merritt from the first till the thirteenth. The Skeeters won in the thirteenth, making six hits in succession off Winter after two men were out. The score:

Table with 3 columns: Team, R, H, E. Jersey City 8 13 2, Montreal 3 5 2.

AT ROCHESTER. Rochester yesterday duplicated the score of yesterday, when Baltimore won by 8 to 2. In the fifth Anderson batted. Hall fielded the ball, but Anderson was safe at first. The Orioles then claimed the hunt was foul. Hall and Byers were handshaken, and away went the ball game. Hughie Hearne had his right thumb broken clear off in the eighth. The score:

Table with 3 columns: Team, R, H, E. Rochester 8 12 2, Baltimore 2 8 1.

AT BUFFALO. Buffalo beat Providence in the ninth yesterday, when Blackburn heaved the ball over Anderson's head at first, allowing White to score, with but one man down. It proved a splendid pitcher's fight between Kissinger and Laiffie, there being but ten hits all told. Score:

Table with 3 columns: Team, R, H, E. Buffalo 1 6 1, Providence 0 4 2.

DETROIT LOST ANOTHER. Detroit, July 21.—Yesterday's game was tossed off by Detroit in the seventh, when New York scored three runs without a hit, or without putting the ball out of the infield. With two out, Donovan issued three passes, forcing in a man who was on third. Two errors followed, scoring two more. All of New York's runs were made with two out. New York misplays saved the locals from a shutout. Score:

Table with 3 columns: Team, R, H, E. Detroit 1 5 4, New York 6 9 2.

DAVIS MAKES HOMER. St. Louis, July 21.—St. Louis batters could not solve Morgan's delivery yesterday, and Philadelphia won, 2 to 0. Captain Davis hit another long home run in the seventh, the ball clearing the left field bleachers fence. Score:

Table with 3 columns: Team, R, H, E. St. Louis 0 5 0, Philadelphia 2 5 0.

THREE IN A ROW. Chicago, July 21.—Chicago won its third consecutive game from Washington, 6 to 1, yesterday. Score:

Table with 3 columns: Team, R, H, E. Chicago 6 9 0, Washington 1 7 1.

game ended. Graham's playing was a feat. Score:

Table with 3 columns: Team, R, H, E. Cincinnati 2 7 3, Boston 1 7 3.

BOSTON WON. Cleveland, July 21.—Boston defeated Cleveland 4 to 0 yesterday. Wood was very effective with men on bases, and was backed up by sensational fielding. Errors gave Boston three of its four runs. Score:

Table with 3 columns: Team, R, H, E. Cleveland 0 6 3, Boston 4 10 1.

GIANTS BEATEN. New York, July 21.—Doubles by Phelps and Evans, the latter a former member of the local team, gave St. Louis a 4 to 3 decision over New York yesterday, the game lasting eleven innings. Crandall took Mathewson's place after New York's great pitcher had the middle finger of his left hand broken in stopping Delehanty's drive. The locals had a great chance to even the game in the tenth, filling the bases with no one out. The three next batsmen, however, were retired. Outside of the sixth inning Sallee pitched cleverly. Score:

Table with 3 columns: Team, R, H, E. St. Louis 3 10 1, New York 4 10 1.

PITCHER DISABLED. New York, July 21.—New York's chances for the National League pennant received a serious setback yesterday afternoon, when in the seventh inning of the game with St. Louis Christy Mathewson, the team's star pitcher, had the second finger of his left hand broken in stopping a liner from Delehanty's bat. Mathewson has been New York's one consistent winner this season, and has not been defeated since May 24. The big pitcher had to leave the game at once, and a surgeon who attended to his injury reported that it would be at least two weeks before he could twirl again. Manager McGraw was banking heavily on Mathewson in the series with Chicago starting Thursday.

NEW TWIRLER. Toronto, July 21.—Jersey City play at the Island to-day in the first game of a four-day engagement. The Skeeters have been changed around considerably since they were here last. Jack Ryan, Toronto's former Buffalo backstop, is managing the team in place of Eugene McCann. Manager Ryan has released Catcher Knott, Infielder Courtney and Pitcher Walker. Walker goes to Wilkesbarre and Knott to New Britain, while Courtney receive an outright release. Pitcher Bill Milligan is now a Skeeter, having been secured from Columbus. The Jersey City are a really good team, despite their low position in the standing, and the Leafs will have the battle of their lives to win the big end of the series.

Manager Kelley has secured a new pitcher. He is Wyatt Lee, the Harrisburg, Pa., southpaw. Lee was thought so much of by his club that they turned down a \$600 offer from Toronto in the spring. Recently negotiations were reopened, with the result that the left-handed twirler will now wear a Leaf uniform. In addition to being a superior flinger, the new man is credited with being a good hitter, and on that account Harrisburg has not been playing him in the outfield.

ZINGARIS TOTAL 173 IN SECOND.

Canadians Returning to Form Again.

Philadelphia, July 21.—By a margin of 11 wickets the Belmont Cricket Club defeated the Toronto Zingari at Elmwood yesterday. Over night each side had completed an innings, the Belmont total reaching 171 and Toronto Zingari 51. D. W. Saunders and W. J. Fleury stayed together for quite a while yesterday morning and 42 runs were scored before Fleury was run out on a good throw to the wicket by Melville, after having compiled 14. A. H. Gibson put together four and Seagram was bowled by King the first ball. Rathbun then partnered Saunders and was bowled by King for 14. Reid hit out merrily but his innings netted only 17. Southern got out 9 and was caught by Graham. Saunders and Wooley carried the score to 182. Saunders played a clean, careful innings. The score of the second inning was:

Table with 3 columns: Player, Runs, Wickets. Zingari: W. Saunders, b Hitchen, 80; W. J. Fleury, run out, 14; A. H. Gibson, c Bottomley, b King, 4; N. E. Seagram, b King, 0; M. Rathbun, b King, 14; H. S. Reid, c and b Cornish, 17; G. H. Southern, c Graham, b King, 9; H. G. Wooley, l.b.w., b Cregar, 16; S. R. Saunders, not out, 4; H. E. Henderson, b Cregar, 0; H. E. Beaty, l.b.w., b King, 1; J. L. Counsell, c Melville, b D. Graham, 3; Extras, 11.

Total (no wickets), 173.

Gossip and Comment

Tom Flanagan and Lou Marsh have sent in their resignations to the Irish-Canadian Athletic Club. Both have been accepted.

The work of Dice Saunders on the Toronto-Hamilton Zingari team in Philadelphia, is a source of satisfaction to the old timers of Ontario, of which he is one. Saunders was a star among the wicketkeepers of a decade ago. He has not played very much of late, but what he has played has evidently kept him in good trim as his fine work behind the wickets and his batting show. "Dice" is a brother of "Sid," who, in the early '90's, was an H. C. C. player, and was also on the back section of the Tiger football team, and had no superior.

A new world's record for the running target at the Bisley competition has been established by Walter Winans, the American horseman, and revolver shot. During the Olympic games last year he made the world's record at shooting at a moving target.

The final of the consolation round, left unfinished at the O. B. A. tourney at Niagara, was played yesterday on the Granite lawn, and resulted in a victory for W. H. Doherty's Canada rink over the Granites skipped by John Rennie. The score was 19 to 11.

The Toronto athletes and C. A. A. U. officers returned yesterday from the championship meeting at Winnipeg thoroughly pleased with the results, even if all the round honors did go to Mr. Gillis, the valiant Vancouver cop. Secretary Crow is satisfied that George Goulding's time is a world's record for the mile walk and further believes that the Central ped can still cut several seconds off the 6.25. In regard to Yeoman's mile in 6.21, Mr. Crow points out that the English Amateur Athletic Association refused to accept the same.—Toronto World.

One more word before passing up eternally, as per promise, the Jeffries-Johnson controversy. Jeffries and Johnson were present simultaneously in Chicago on Saturday. It elaborately was set forth that they would get together and agree upon something that might even result in a fight. We susceptible gawks had it from the usual reliable authority that at least a tentative understanding would be reached. Jeffries went through the motions of a boxing exhibition at a south side amusement park and Johnson performed as umpire at a semi-professional baseball park. The pair talked as they have been talking, at long range. What Johnson said was unfit for publication and what Jeffries said was an affront to human intelligence. They parted to meet, never! That will be all for both of them in these parts.—Chicago Tribune.

The way the Gray Ghost from Canada, The El, is breaking track records on the two lap rings makes him look like better than a 2,000 pacer when he strikes a good, fast mile track. His mile in 2:02 1/2 at Port Huron, while it is not a world's record, is a most wonderful performance and probably never was beaten so early in the season. While the Port Huron track is a good one it is never has been considered so fast as tracks like Lima, O., the West Chicago and others of the two lap variety. Dan McEwan certainly has the great side wheel in splendid condition and believes he can reduce his record materially at the track across the river, next week.—Tom Gahagan in Detroit News.

FOUR FAVORITES WON.

Talent Had Lucky Day at Fort Erie.

Jack Atkins Returns to Form at Empire City.

Teasel Won 2.11 Trot at Windsor.

Buffalo, N. Y., July 21.—The placing of Daisy Garth first over Lotta Creed in the sixth race yesterday brought on an unusual storm of protest from the backers of the Hawkins filly, who labored under the impression that she had gotten up in time to head the recently acquired McLaughlin racer. Close observers agreed with the judges, and the demonstration was entirely uncalculated. This incident was the only happening of an otherwise routine afternoon of racing. There was a noticeable absence of class to the various races, and enthusiasm seemed to be lacking. The finishes in several instances were close enough to suit the most exacting.

The only race not having setting conditions was the second, in which a mediocre band of two-year-olds, 51-2 started, and was won by Western Lady in a spirited finish from W. H. M. and Mae Henley. Form players started the day auspiciously, when Ozana, the favorite, took the purse in a common career from the outside Odin in the opening dash. The victory of Western Lady also favorite, helped them considerably, but they sustained a setback in the third, when Carthage just did manage to get up in time to land the purse. Carthage, stretch run was a sensational one, and he deserved the victory, as he was clearly the best.

Hyperion and Arionette, former stable mates, had the race between them in the fourth, and again the sharp fell, as Hyperion took the measure of the speedy filly, which had been installed favorite. The unwieldy field of fourteen starters in the fifth race were lucky to escape going down because of the frequent crowding of the narrow track. Anne McGee, which got away in a forward position, developed superior speed over a recent effort, and never left the issue in doubt, winning with much in reserve from the long shot Occidental. Pert was probably best in the race, but frequent interference during the early period was responsible for his failure to land better than third. The ding-dong finish between Daisy Garth and Lotta Creed was a thriller, and under a better ride Lotta Creed would have won.

The closing dash was only a center for the favorite, Giles, which won commandingly from Belle Scott, with the frequently interfered-with Red Hussar in third place. Because of taking up Ada O. Walker sharply soon after the start, the judges suspended Jockey Gilbert for the remainder of this meeting. Robert Boyle will in future train the horses of E. A. Brennan, succeeding W. McDaniel. Nothing further developed in the investigation now on by the judges regarding the steeplechase races, in which Archibald and Beamish were using fraudulent practices. It is almost certain that Stone, who is at present under temporary suspension, will have it made permanent. There are others who will be hauled over before the investigation is dropped. Summary: First race—Selling, maiden three-year-olds, 5 1/2 furlongs—Ozana, 107 (Warren), 2 to 1; 1, 3 to 1; 2, 1 to 1; 3, 1 to 1; 4, 1 to 1; 5, 1 to 1; 6, 1 to 1; 7, 1 to 1; 8, 1 to 1; 9, 1 to 1; 10, 1 to 1; 11, 1 to 1; 12, 1 to 1; 13, 1 to 1; 14, 1 to 1; 15, 1 to 1; 16, 1 to 1; 17, 1 to 1; 18, 1 to 1; 19, 1 to 1; 20, 1 to 1.

AT EMPIRE CITY. Empire City, July 21.—Jack Atkin, heavily-played favorite at 7 to 5, easily won the Fleetwing Handicap, six furlongs, here yesterday. The big horse carried 130 pounds and conceded weight to his entire field. He was given a rousing cheer when he flashed under the wire a winner. Jack Atkin was a trifle slow to break, but Powers rushed him through the field, and at the far turn was in front and leading by half a length. From there to the wire he gradually increased his advantage and won by three lengths. Summary:
