Communications.

To D. G. SMITH.

before the House; and you prove

Mr Gillespie presented the petition of article in the North Star stating that Edward Hayes, Daniel McLaughlan and Chatham was going to supply a can--Yoemans concert in the Masonic Hall on Monday night was well attend. Fleigher of Chatham has also got out leave St John for Rome about the 19t. diver, in the parish of Sackville, and ling forward to see said statement conmoved it be referred to the Government tradicted in the issue of the Advocate which appeared a few days thereafter; but imagine my astonishment when received, as it related to money matipicking up the next issue of the Adverse. In Vall submitted the report of the reiterated but used as a canvass Contingent Committee, stating they had against my election. In the exciteordered the following payments: Postage ment of the moment, and in the heat of passion I wrote the communications for which the Surveyor General is need accountable; and as you are aware, sir, I wrote them and so at MERCHANT TAILOR

over, would have remembered the

the communication written to your paper, was sent into your office bel ten o'clock on the moraing of the div cial Secretary sail £250 of the Irish quon which the said issue of the Al-Relief Grant had been paid to the Diter- wines appeared and this, therefore, ess of Mulhorough fund, and £250 to the Soveror General could not have seen it: besites you know, or dil at the time know; that the Sarveyor "Boston. Now sir, with I wrote had a natification above referred to was igely ir ligarat at the Messes, Vidor bouter I believek rice know I was a resident of Newocole and were therefore taking an addict alvantage of mo, but after writing them and seeing them in print there ern sober see ilthoughts in little i knew that I had even nisted as even in conching the largange used in said communications in suca an augentlemanly manner, and I accepted the ands in Kesti zouche advertised to be sold rebake in the next issue of the Advo. on the first Tuesday in March. H said

cate without replying.
With this stars of facts before you, where lies the argum or vortrad built published the Surveyor General's R:

Your argument falls flet, and the

why anything written by you should needs be taken with a grain of salt. And now sir, having gone over the ib we ground, let me thank you for your idea such as the liberal party of this county, may be so devoid of men ofgood standaigant ability that wharfage bill, informed the House that it is willing to accept as "one of the person so poorly qualified as I, but remember sir, that only men of known ability in the Conservative party are so highly honored, and I have not yet become one of those. I can well understand sir, that making a comparison between the representative of your party in this county and any of the young men in it, you can not be held accountable for stating that which is untrue, when you state that they are recognized lights of the party, because sir, I can well ast lerand that Me Servoul oragionsidered by your party a good repre containe, any one may on the same principle call minister a good applies can and I presume it is upon grounds such as these I am so mighly appored, but sir. I would rather not accept your judgment, as I consider that abuse from yours the best e iterior of true worth; and vice versa. I have so many reasons for knowing now ruly you appressate the golity, how you process, that I all save you carnot fail to recognize to the above state of lacis, a reason sufficiely aring to latifiess upon you are als Visability of maisting a partie appliegy to them motives which could not neve existed; and I may only state man your not taking at a lives in this, will only all a riches to the donoting a mes estability which to be seen of acknowledged in the be kept constantly being the public to the thoping ale. Elitor, that I have not trespassed too long on your valuable

ums, Lam Sir, Yours very trule. Chatham, March 5, 1881.
