CHRISTMAS AT THE SALVATION ARMY

What a time Capt. and Mrs. Goodwin are having making elaborate preparations whereby a number of needy families and poor children may have a happy time this coming festive season.

A number of baskets will be sent out Christmas eve to poor families and on Monday night Dec. 26th Santa Clause arrives heavily laden with useful gifts of wearing apparel, etc.

To enable the Capt. and Mrs. Goodwin to do this a special "Keep the Pot Boiling Week" will be held and friends of the Army will one and all have an opportunity of dropping their offerings into the pot during Christmas week outside the Post Office.

As in larger towns, the kind people of Newcastle who at all times willingly help the Army in their good work, will again have an opportunity of "Good Will to All Men".

THE TROUT BROOK TOWER

The Trout Brook tower is about ten miles north of Newcastle. The eighty-foot tower being erected there is for joint use by the Geodetic Survey of Canada and the New Brunswick Crown Lands Department. The expense of construction is to be borne jointly.

Tozer Brothers of Newcastle have the contract for its erection. The ranger's cabin at the foot of the tower has been completed and the foundations for the tower also have been finished.

The tower is situated near the high road on what is known locally as Ashton Hill. Its elevation is five hundred feet above sea level, and a wide area can be viewed from it.

WAYERTON WOMAN ACCIDENTALLY SHOT

A shocking fatality occurred at Wayerton Settlement, about twenty miles from here, last Friday when Miss Molly Kingston, daughter of Paul Kingston, the well known lumberman, lost her life.

Miss Kingston was in the habit of practising rifle shooting, and Friday morning about 9 o'clock took her rifle and went out into the yard. A few moments later the occupants of the house heard a muffled shot and a groan, and on going out into the yard found Miss Kingston lying on the ground, shot through the abdomen.

It is presumed that the shell became jammed and in her endeavor to dislodge it the rifle was discharged. She was unconscious when found.

Dr. Bell was called from Newcastle and did everything possible for the young lady, but she passed away six hours later.

Coroner Desmond, after enquiring into the facts, decided that an inquest was unnecessary.

The deceased was about thirty-one and leaves her parents, four brothers and five sisters.

SAD DROWNING FRIDAY EVENING

About 4 o'clock last Friday evening a sad drowning fatality occurred on the river, at Clatham, when John Brophy aged 20 years lost his life by skating into open water. He and two companions were skating down the North Shore, at the time. Every effort was made to reach him, but failed, and the body was carried under the ice. He was an only son, and heartfelt sympathy goes out to his bereaved parents, Mr. and Mrs. T. Brophy.

The body of the young man, was recovered at noon, on Saturday, near the place where he went through the ice. The funeral took place Sunday afternoon, interment in St. Michael's Cemetery.

ANOTHER VICTIM OF DROWNING

Edmund Jimmo, of Loggieville, while on his way home from his fishing work, Saturday evening, was drowned within sight of his home.

He and some other fishermen were homeward bound. When nearing Loggieville he parted from the others to take a short cut across the ice. After going a short distance, he walked into an airhole, and before his companions could reach him after hearing his cries, he had gone under the ice. Inside of 24 hours, the Miramichi river, had claimed two victims. It was growing dark at the time of the fatal accident, which caused some delay in finding him. A bereaved wife and two children, are left to mourn, and much sympathy is felt for them. About eleven o'clock on Sunday morning, the body was found. The funeral took place yesterday.

ALL ABOUT THE LADIES

Referring to the recent election the Daily Mail says "The recent contest has made it quite clear that there is still considerable work for the Churches to do before the elections can be carried on without the aid of debasing influences." No doubt the shock the Mail received, when Hanson won, resulted in the poor thing having a brain storm, for it wants us to believe, that if the list of women who sold their votes, to a list of bribes etc, had publication the moral reformers of Fredericton would be greatly shocked. Of course, there could not possibly be anything wrong on the Mail's side of politics; all the buying and selling, was done by the other fellows. It is hard to tell, whether such effusions, is the ravings of a brain storm, or the cantings of a hypocrite probably a little of both. As to Church influences, a visit to Northumberland would furnish ample information, and illustration.

Evidently the ladies have worried the Mail terribly, for it goes on to say "Old time advocates of woman suffrage, in this province, such as the late Dr. A. A. Stockton and Hon. H. R. Emmerson, used to argue that the extension of the franchise to women would tend to the uplifting and purification of politics. Had they been privileged to see female political workers in action at the polls they would probably have modified their opinion somewhat."

The last sentence is hard, very hard, against female suffrage, and truth to tell, even the ladies them-

seems are divided upon the question. At the same time, until the act giving them votes is repealed, the ladies should exercise their lawful right to vote, to the full. It is quite possible that evil influences may be at work, in a contest, or that some prejudices may bias a result, and unfortunately under such circumstances; women bound together should they be swayed by such prejudice or evil influence will go to the polls in full force, and win an election; because their fellow women, less suspicious and less prejudiced stayed at home, and did not vote. Both men and women err in this respect, sometimes. We know, this actually did occur in some sections of our County, on election day—Influences were used in certain sections, which fairly compelled women to go to the polls, while others, perfectly indifferent, stayed at home, and did not exercise their right to vote, their absence from the polls, aiding a result, which by word of mouth, they condemn. It is better to use a lawful right than to ignore it. Defeat with honor, is vastly superior to a victory gained by political chicanery, falsehood, and prejudice.
