### ALLEGED CAUSE OF MACLAREN'S FAILURE

Ill-fortune which attended the attempt of A. Stuart MacLaren British round-the-world aviator, and his companions to fly across the remainder of the globe after leaving Japan is attributed by the natives of Urup Island, one of the bleak Kuriles to the airman's own indifference to evil spirits.

When Major MacLaren's big Vickers amphibian hopped off from Toshioy, Yetorefu Island, one day in July, with Paramushriu Island at the north of Kurile chan, as his goal, fogs and wind compelled him to land at Totokan Bay, on the southwest coast of Urup Island. The bay is exposed and when the wind rose Major MacLaren's how his plane a short distance inland alighting on a body of blackish water known as Totokan Bog. In so doing, according to the sparse population of Urup Island, he courted the malevolence of evil spirits.

Totokan Bog is an ill-omened water. The natives say it is bottomless, and that no man has ever entered its waters and come out alive. There is an evil female spirit the natives believe, who makes a specialty of handsome men, and when such a one comes to the bog he "vanishes like smoke" and his body is seen no more.

Four years ago two sailors attempted to cross the bog by swim-

### SUFFERS NO MORE WITH HEADACHES

"Fruit-a-tives" freed her from years of pain

The Fruit Treatment seems to be the only way of completely ridding the system of the cause of Headaches. Miss Annie Ward, of 112 Hazen St., St. John, N.B., says: "I was a great sufferer for many years from Nervous Headaches and Constipation. I tried everything, but nothing seemed to help me until I tried 'Fruit-a-tives'." After taking several boxes, I was completely relieved and have been well ever since.

Practically all Headaches come from poisoned blood—that is, the blood is laden with impurities which should be carried from the body by the kidneys and bowels.

"Fruit-a-tives"—made from the juices of oranges, apples, figs and prunes—regulate the vital organs of the body—insure a pure blood supply—and completely relieve Headaches. 25c. and 50c. a box—at druggists or Fruit-a-tives Limited, Ottawa.

ing. They were seen to reach the middle of the lake, swimming strongly, and then together went down without a sound.

Major MacLaren rested for four days on the shores of the bog, living at an experimental fox farm maintained on the island by the Japanese Department of Agriculture and Commerce, and then hopped off on a successful flight to Paramushriu.

Requires a Mother's Constant Care and Watchfulness.

In their early teens it is quite common for girls to outgrow their strength and mothers should carefully watch the health of their daughters, at this time, for it is when strength is sapped by too rapid growth that anaemia develops. The first signs may be noticed by peevishness, languor and headaches. The face grows pale, breathlessness and palpitation follow, with low spirits.

At the first symptom of anaemia mothers should act at once. Neglected anaemia often leads to decline, but if you see that your daughter's blood is enriched there need be no cause for anxiety. The finest blood enricher ever discovered is Dr. Williams' Pink Pills. The pure red blood created by these pills will quickly banish all signs of anaemia. They will build up your girl's health and ensure her a robust girlhood. Give your daughter Dr. Williams' Pink Pills now. #### CANNOT SUPPORT SNOWBALL

The Workmen's Compensation Act question has nothing whatever to do with the present Federal by-election. Nevertheless, Mr. Snowball, the Liberal candidate says that he is opposed to the administration of the act by the office in St. John, which he said, was taking too much of the money of industry. Do the laborers of Northumberland county think as Mr. Snowball thinks? We think they do not, and that is just where the whole trouble lies. If Mr. Snowball were elected to represent Northumberland county, the laborers of this county are of the opinion that anything in which they are interested, Mr. Snowball will be in opposition to them. They contend that it is impossible for them to support a man of this kind.

#### THE SIGNS OF THE TIMES

A.O. Cochrane, Conservative defeated Hon. K.C. MacDonald in the provincial by-election in North Okanagan, B.C. Last Thursday. The Liberal government is now in a minority, having only 24 members, from which a speaker will have to be named, while the Conservatives have 18 members, Labor 3 and Provincial 3.
