"The members of the Administration are popular, and will remain papular in the Province, what is valgarly called "Clap trap"? Is he or aware that the Rebellion claims of Upper Canada were virtually paid from the Consolidated on popularity, they have during one short month of the present session done more business for the public, than their predecessors id in three public, start of a sirrag Government, is strang Gov scribed rebel) by the late Ministry. Where then, he would ask, was the very loyal men of not a local fund, as stated by Mr. Strachan to ports 7 And does he not perceive that these men would again produce a rebellion, would again spread fire and death, and desolation over the land, if by so doing, they could again estab-the land, if by so doing, they could again estab-Huron, who are now agitating the District from this meeting, and as falsely alleged by some of a settlement of all just claims of losses, by the inhabitants of that part of the Province, formerly Lower Canada, during the Rebellion of 1837-S, should be made without delay; and it is with entire salisfaction that we learn that the attention of the Legislature has been directed to this sub-Mr. Strachan, Barrister, from Goderich, begged to address the meeting, not as an inha- Mr. Daly, amidst the cheers of the meeting for tant of the county of Huron merely, but as a roprietor in this same locality-if the meeting had no objections to his doing so, that he might correct some of the mis-statements of the last peaker. The meeting at once assented. Mr. Strachan then proceeded to declare, that the Tavern License fund formed no part of the general revenue of the Province, nor never did. and made an attempt to prove that it was the sembled : intention of Government to pay the claims of those who had taken an active part in the Rebellion. He quoted an expression in a speech of At a general meeting of the inhabitants of the of the Hon. M. Cameron, on being called upon sheweth :-illage of Stratford and vicinity, held at the to read the whole paragraph, he insisted that the Union Hotel (Mr.). Woods) on Saturday the party of the whole maning. The Canada, than any acts that have preceded them, 24th of February, 1849, called by the following rest of his address was a mere declamation about loyalty to the Queen. The loyal men of Huron ! Radicalism ! Rebellion and annexation to the with a burden of £180,000? Do you want to Province formerly Lower Canada during the Reing, paralysing policy that had long character-ized the Legislation of this country, before the radiance of the Hamilton Spectator burst forth upon the benighted Province. We are willing to give the Ministry full credit Tesolutions proposed by the Honorable Mr. Las Government to be appropriated for Lower Canada Rebels ? Mrth T. W. Daly then addressed the meeting. He said that the amount intended by the present Government to be appropriated for Lower Canada Rebels ? Government to be appropriated for Lower is with entire satisfaction we learn, that the at-Lafontaine.

read to the meeting a report of the speech from paper he had in his hands. Mr. Strachan .-What paper is it ? the Globe, I suppose."-Mr. Daly said it was a Montreal paper. Mr. Province at large. Daly proceeded with his remarks, but Mr Strachan's interruptions became se intolerable that he (Mr. Daly) had to stop till Mr. Strachan should be called to order.

Ever since the present Administration superseded the Cayley-Cameron-one-msjor-ity-Ministry, that apology for a government and their friends have left no means untried to entrap those now in power. Reformers know this well enough ; they have never trusted Tories without being deceived ; af-ter long acquaintance with several of the mon now in power, and full confidence in their honesty and ability, they placed the The amendment being then put to the vo was carried (though Mr. Strachan had a large party along with him from the western end o the District to support the motion), it was con sidered useless to put it to the meeting.

Daniel H. Lizars, Esq., proposed the second solution, seconded by Mr. Andrew Monteith Resolced, That this meeting do concur in the resolutions adopted at the General County Meeting held lately at Goderich, for the purpose of petitioning the Legisture, against the measure proposed by the Hon. Mr. Lafontaine, and far ther, that this meeting do adopt the petition sent down by the Secretary of the Goderich County Meeting for signature."

Daniel McPherson, Esq., would oppose this esolution on the grounds that the Tories are trying every means in their power to make the meeting, read the resolutions proposed to be in-present Ministry unpopular, by endeavoring to troduced by the Hon. L. H. Lafontaise, in the make the people believe that they are to be present Ministry unpopular, by endeavoring to burdened with an unjust debt, whereas it is eviclaims arising out of the Rebellion Losses, in dent that, they wish only, all just claims sus that part of this Province formerly called Lower tained by the loyal inhabitants of Lower Canada, to be liquidated in a just and equitable manne Mr. C. R. Dickson proposed the following re- And as Lower Canada took us with our debt

we are in duty bound to take her with her dethis meeting, has learned with feelings of the feets. The Rebellion Losses, in his opinion deepest regret, that it is the purpose of the are not what the Tories are most afraid of. The present Ministry to introduce measures granting present Government is about introducing a new Assessment bill, which the aristocratical faction r it bellion in 1837, to men who where then pro-the scribed as rebels and traitors, to be paid out of They assuredly are afraid that their properties this meeting therefore do protest against such values, which will form a new era in the family compact made of taration. 1 Mr. McPherson Rosolved, That this meeting express its enti-

confidence, in the judgment and wisdom of the present Government, to raise the necessary means for the liqudation of all such claims, which were incurred during the Rebellion of 1837-8 in Lower Canada, in a manner that will be equitable and satisfactory to the whole Province

The accomplished Barrister from Goderich again got up vociferating Radicalism ! and had positions of a factious and disappointed party of the impudence to tell the people that they did politicians; that they were factious, he would not know much about the matter, not being in prove to the satisfaction of the meeting, for it the habit of reading the newspapers. And insin was the very party, the very small minority of uated that, therefore, they should take his word was the very party, the very small minority of the present House of Assembly, who themselves, when in power, had instituted an enquiry into these claims, (thereby admitting there were just claims) which it was the intention of Mr. La-fontaine in his resolutions to carry out. A party when in power would carry out no measure beneficial to the country ; and now, they were deter- not go exactly the length he appears to have gone ficial to the country ; and now, they were deter-mined to retard by every means in their power, the progress of good measures, and this they at-proving of Mr, Cayley's amendments, he stated, ted Fund ?
