Hr. Grace Notes.

A memorial service will be held in St. Paul's Church on Sunday night for the late Pte. Clarence Wells, who was killed in action on April 14th. The members of the Orange Society and the K. E. Brigade will attend.

Mr. Richard Moriarty, a well known resident of Riverhead, died on Wednesday last, aged 70 years. The funeral took place this afternoon.

A meeting of citizens was held in the Town Hall last night to consider ways and means of showing our sympathy with sufferers by the Halifax disaster. All present were unanimous that we should do all in our power to

help the distressed. Collectors will visit the homes and everybody is asked to do what he or she can.

The Shipbuilding Co.'s car embedded itself in a snow bank on LeMarchant Street this morning, and all efforts to get it out were unavailing until Mr. George W. Pynn of the company's staff came along and defied the snow to hold the car any longer.

Yesterday and last night was a stormy time, in fact the first real touch of winter we have experienced. Fortunately the weather was mild.

The Guardians of the British Society Juvenile Branch were delighted on Tuesday night when 8 young lads, whose ages run from 10 to 15 years, joined the order. This junior society is very helpful to the young as it teaches them the working of societies and encourages them to speak at meetings, &c. The Branch is flourishing and has a nice bank account of its own, of which the lads are justly proud.
