The regular week-end accident on the Calgary one-man car system occurred last night at 7:30 o'clock when belt line car No. 2 crashed into a stationary red line car at Eighth avenue and First street west. All the passengers on the belt car quite suddenly occupied seats on the floor of the car. No person was seriously hurt, probably the worse result being cuts and bruises received by one small boy who was thrown on his face. The motorman, conductor of the belt line car informed the passengers he was in no way responsible, but did not say what had caused the accident.

NON-PARTISANS TO HOLD CONVENTION AT MACLEOD NOV. 8

Claim Prospects Brighter Now Than Previous to Provincial Elections

The announcement has been made that the convention for the purpose of nominating candidates for the Macleod federal constituency, on the Non-partisan federal constituency, in the coming election has been called to meet in the town hall, Macleod, Tuesday, Nov. 8, at 8 p.m.

The Macleod constituency is looked upon by the Non-partisan league as one of their strongholds, because Nanton, which returned James Weir on their ticket in the recent provincial elections, and Claresholm, which returned Mrs. McKinney, are included in the federal constituency of Macleod. Since the provincial election the league has continued its organization work and claim that the prospect is even better now than before the provincial battle.

Among those who have been mentioned as likely candidates by members of the league are Charles England, Blackie, S. T. Marshall, Staveley, W. H. Shields, Macleod, H. W. McKinney, Claresholm, O. A. Wildman, Brant, W. D. Sloan, Cayley, J. North, Parkland, A. Armstrong, S. and J. Hersey, High River, J. E. Hillier, Pincher Creek, and H. A. McGlenning, Fishburne. The selection will likely be from among the first four.
