ding. She is reported to be still willing to health officer, Detroit, in regard to the crossing of dead bodies on the ferry, all the Canadian customs require is a certificate from the latter.

The business of the electric road on Sunday in Windsor was enormous, and from 1:30 until late in the evening every car was crowded. The mineral springs had the appearance of old times, when the bath houses were in operation.

Henry Morris, Windsor, has entered on to recover \$2,000 for damages done to his property by the location of the electric light works on an adjoining property.

Bolton vs. Kingsville Natural Gas Company—Judgment for the plaintiff for \$1,200 in an action tried before Falconbridge, J., and a jury at Sandwich. Action for damages for the burning down of the plaintiff's house in the village of Ruthven. The plaintiff's house was supplied with natural gas by the defendants, and the fire was caused, as the jury found, by the negligence of the defendants in not attending to the regulator, whereby the quantity of gas fluctuated, and the plaintiff's stove in which the gas was used became too hot and the fire was thus caused, on the night of Dec. 29 last, after the plaintiff's stove in which the gas was used became too hot and the fire was thus caused, on the night of Dec. 29 last, after the plaintiff's thouse was done to be dead that there was evidence to support the finding of negligence by the jury and dismissed the motion with costs, Meredith, J., hesitating.

One day last week while an old man aread Ribbardsen was engaged in digging the property such as the correlation of the electric light works on an adjoining property.

Bolton vs. Kingsville Natural Gas Company—Judgment for the plaintiff who was alone to releve from a full property work under such favorable auspices. The church was tastefully decorated with flowers and evergreens ior the occasion. There were fourteen new members added to the regulator, where the plaintiff who was alone to relieve her sufferings, but she died on Monday of this week.
