"Woodman! Spare that Tree."

To the Editor of the Advertiser:

Is there any law to prevent incompetent persons from mutilating our beautiful shade trees, which are the boast of our Forest City and the admiration of all visitors? It makes my heart bleed to see handsome and graceful trees transformed by this awkward butchefr into ugly looking stumps. If we have any bylaw to stop this vandalism, I beg to direct the Chief of Police or City Engineer or the official whose duty it is to look after such matters to the horrible exughter at the corner of Colborne street and Dufferin avenue. and Dufferin avenue. Use Paine's Celery Compound now, and the dull eyes will regain their brilliancy, the cheeks will grow rosy, the brain become clear, the nerves strong and steady, your sleep restful and refreshing, appetite good, and health and happiness will take the place of misery and suffering. A. Sabiston, the well known lithographer of Montreal, writes: "In the summer of 1883 I had to work very hard, and was troubled considerably with insomnia (sleeplessness). I resolved to try your Paine's Celery Compound, and after taking the contents of two bottles, felt like a new man. A good night's rest gave me strength for the duties of the day, and instead of starting out to business in the morning feeling as if I had completed a day's work instead of being about to commence one I started out in good spirits, feeling fresh and strong. My wife and various friends, to whom I recommended the medicine, have been benefited greatly, and in fact 'Paine's Celery Compound is a household word in our family." brain become clear, the nerves strong and

Consumption Cured. Cornwall, 1884.

Dr. Washington.

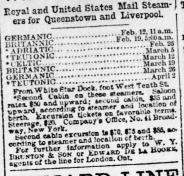

Dear Sir.—I am happy to say that your treatment has entirely cured me. My case was considered hopeless, and I did not expect to recover, having had several attacks of bleeding at the lungs, night sweats, cough raising large quantities of matter, gave up all hope of ever getting well, but I am thankful to you beyond the expression of words for your timely treatment, which saved my life. All who are thus afflicted should apply before it's too late. Yours jurily, MRS. GEO. ARMSTRONG.

Dr. Washington, 78 McCaul street, Toronto:
Dear Sir,—This is to certify that I was in a very critical condition. I was unferer for fully nine years. I was troubled with a base cough and bleeding of the lungs, at times being very bad and bleeding of the lungs, at times being very bad and bleeding about a pint. My disease had all the symptoms of consumption and I was in a very losing condition. I am pleased that I met with Dr. Washington, of Toronto. It is a miracle provided that I have been so fully restored to my health. I was under HIS TREATMENT since the Hith of January, 1887, and now consider mysel cured of the disease, and I feel no hesistancy whatever in recommending Dr. Washington to everyone who may be in need of his services, I shall be very happy to give full particulars to any rerson who may be desirous of any information on the subject.
