[Gult Reporter.

A MINISTER'S WIFE INTERSTED.

Mother, you often feel anxious about your child's condition. This is especially the case when your bey or girl has cangliable cold, and a troublesome cough, sore throat or sore chest gives the little one pair. When such troubles appear look after them quickly, do not lose an hour in waiting from the secretary Board Education, Education Prome distinct and the state of the from custiders. A dose or two of Harvard Bronehial Syrup will give instant relief; and regular doses administered to the teste, and does not contain a particle of piessous matter.

The following testimony from the wife of Rev. C. R. Flanders, B.A., postor of the Sherbrooke Street Methodist Church, Montreal, is important and worthy of note by a political, simportant and worthy of note by all muchars. Mrs. Flanders says: "I can originally recommend Harvard Bronehial Syrup as a encellent cough remedy, because only-sant to take; it is especially wittable fo children. We have used it very uncessfully.

Why will you allow a cough to lacerate your threat or lungs and run the risk of lings a consumptive's grave, when by the ineasy use of Bickle's Anti-Consumptive syrup the pain can be allayed and the auger avoiced? This Syrup is pleasant to the stage and uncertaing all affections of the finest make it real. It is our system that was made that any anything but what you are.

To make our word or act sublime, wmatt make it real. It is our system that would have a cough the later of control of the control of the county is a proposed to the county in old and the county is pleasant to the stage word or many proposed to the county of the county is pleasant of the county is plea

Among the pains and aches cured with marvelous rapidity with Dr. Thomass Eclectically subjects.

Adjourned until 2 p.m. Wednesday. In the Mean of the Mean of the desirability of this Oil as a family remedy is enhanced by the fact that it is admirably adapted not only a reliable blood purifier can effect on the above ailment, but also to the highest disorders of the bowels, and affections of the throat, in which the young are precially subject.
