night. The young man was in the city spending his holidays with his aunt, Mrs. Leonard Jones, when taken sick. The remains were taken to Brantford.

The steamer J. W. Moore was seized in midstream in the Detroit River Tuesday evening by Deputy Sheriff Rumball for damages caused by sinking the schooner J. Richard opposite Walkerville, a few weeks ago, when several of the crew of the schooner were drowned.

James Porter, M. C. R. brakeman, residing at St. Thomas, was painfully injured near Rodney on Sunday morning. He was sitting in the cupola of the caboose, when the air hose broke, bringing the cars together suddenly. He was thrown across the car and had his back injured.

While Fred Plastow, employed by J. G. McKillop, farmer, West Lorne, was hauling beans into the barn, the rope broke, the pulley falling and striking Plastow on the head, breaking his skull and rendering him unconscious. The doctor says he is seriously injured, but to what extent he cannot just say, Plastow is a married man about 40 years of age.

Milton Doerr, the 12-year-old grandson of Daniel Hagey, was drowned on Sunday in his grandfather's pond near Blandford station, while in bathing, with companions of his own age. Contrary to the orders of his grandfather forbidding swimming on Sunday, the little fellows went to the pond, while Mr. Hagey was at church, attending the morning service.

A pleasing event took place on Tues day, Sept. 4, at the residence of Mr. W. S. Jamieson, Coyne road, Dunwich, when their only daughter, Lizzie, was married to Mr. Peter D. McKellar, one of the most popular young men of Dunwich. The ceremony was performed by Rev. J. Stephen. The bride was assisted by Miss Kate McLeod, of St. Thomas, while Mr. Wm. Paton supported the groom.

Mrs. Annie Prangly (nee Mattice) died in Sarnia on Monday, Sept. 3. Accompanied by her daughter and friends she had been on a pleasure trip, when she was taken ill. She leaves a husband and two children, besides four sisters and four brothers: Mrs. (Dr.) Young and Mrs.O'Loane, of Ridgetown; Mrs. English, of Blenheim; Mrs. Wilson, of Chatham; James H. Mattice, of Hamilton; Eastman Mattice, of Dakota, and William and Walter, on the old homestead in Harwich.

Brakeman Allan, running between Stratford and Toronto, had a very narrow escape from being killed on Sunday night. Near New Hamburg the train broke in two. Mr. Allan was on top, signaling to the engineer, when he was thrown between the two sections, into the middle of the track. A number of cars passed over him, but as he was right between the rails they did not touch him. His only injuries are sprained foot and a generally bad shaking up. He was taken to his home in Stratford, where a doctor attended him. At last accounts he was resting easier.

The True Relief, Radway's Ready Relief

For Internal and External Use. For internal and External Use.

In using medicines to stop pain, we should avoid such as inflict injury on the system. Opium, Morphine, Cloroform, Ether, Cocaine and Chloral stop pain by destroying the sense of perception, the patient losing the power of feeling. This is a most destructive practice; it masks the symptoms, shut up, and, instead of removing trouble, breaks down the stomach, liver and bowels, and, if continued for a length of time, kills the nerves and produces local or general paralysis. general paralysis.
