LIFE SAVED.—Mr. James Bryson Cameron writes: "I was confined to my bed with inflammation of the lungs and was given up by physicians. A neighbor advised me to try Dr. Thomas' Electric Oil, stating that his wife had used it for a throat trouble with the best results. Acting on this advice I procured the medicine, and less than half a bottle cured me. I certainly believe it saved my life. It was with reluctance that I consented to a trial, as I was reduced to such a state that I doubted the power of any remedy to do me good."

A DINNER PILL.—Many persons suffer excruciating agony after partaking of a hearty dinner. The food partaken of is like a ball of lead upon the stomach, and instead of being a healing nutriment, it becomes a poison to the system. Dr. Parmelee's Vegetable Pills are wonderful correctives of such troubles. They correct acidity, open the secretions, and convey the food partaken of into healthy nutriment. They are just the medicine to take if troubled with indigestion.

REUNION AT

ST. GEORGE'S

Principal Baker's Pupils Enjoy a Happy Evening.

Bright After-Dinner Speeches—Presentation of Awards—Principal Baker Surprised.

The fourth annual reunion of St. George's school was held last night in the North Mission, and never before was the old hall filled with a happier crowd. It was a gathering of radiant faces, surrounding tables laden with meats and fruits, and with the first clatter of the fast-lighted dishes there burst forth the melody of the voices of boys and girls. In the outer circle of a room made gay with pictures and flags and colors, the sober fathers and mothers and friends of the children watched the brightness and laughter, like shadows guarding the beams.

The toast list was introduced by the toastmaster, Principal Baker, calling upon all to drink to the Queen, which each did most heartily, and joined lustily in the singing of "God Save the Queen." In like manner was the toast to "Our Native Land" drunk, in response to which Rev. Dr. Johnston told of Canadians who occupy foremost positions abroad, of the honor in which Canada's name is held, and said that if necessary Canada would send the last long that was in her treasury so long as Britain ruled it.

Dr. Teasdale, chairman of the board of education, replied to the toast to that body, and during his speech he arranged such a happy reunion. The moral, intellectual and patriotic teachings, who should inculcate in the minds of the pupils the requisites of perfect manhood and ideal citizenship.

Principal Baker responded to the toast to "Other Schools." He commended the teachers and scholars for the success of the reunion. The intelligence, good behavior and robust health there displayed, argued well for the future citizenship. The board of education were to be congratulated upon the success of London's public schools. In his experience he had never received assistance in his high school work from the training received by pupils prior to their entrance, such as he had received in London.

The graduates of St. George's, elected Miss Mattie Hutchinson, the Boy's memorial medal, which she had won by passing highest from St. George's school. In making the presentation, Mr. MacRobert said to the other pupils that there were other medals, other positions of honor and dignity that might win or occupy, and he hoped would do so. They should always have an object in life, and to remember that in all the trials and tribulations of life there shone one star, the star of hope. They should not undertake anything until they were fully and deeply imbued with its importance, and then they should work with all energy. They should have confidence, and press resolutely on to the attainment of their highest pursuit, aims and most worthy ambitions.

Miss Hutchinson responded gracefully, and as she was about to leave the platform Principal Baker handed to her a beautiful opal ring, the gift of the pupils.

Miss Ariene Gray was called to the platform, and Dr. Ziegler presented her with a beautiful gold medal, given by Mr. MacRobert, and upon the medal were inscribed the names of Messrs. John Geary, P. Marshall and R. Geary, for general proficiency.

A toast to the "Class of 1920" elicited replies from Master Jack Ferns and Miss Flossie Kipp, and upon the conclusion of these replies Howard Moran was presented with a book as a prize for passing second highest from the school.

Principal Baker was surprised by being asked to go to the platform, where he was greeted by a nicely worded address and two beautifully bound books. Mr. Baker thanked the pupils heartily for their gift.

During the evening a programme was carried out which included solos by Miss Inez Smith, recitations by Miss Nina Bucke, solo by Dr. Ziegler, songs by Mr. Arthur Wood and an instrumental by Miss Raymond, who also was accompanist during the evening. At an early hour "Auld Lang Syne" was sung, and the gathering dispersed.
