AGONIZING STOMACH

Messre. RADWAY & CO.:

Dear Sirs,-I know a business man on the east side of town who has for years been ailing and suffering agonizing pains in the stomach. The doctors from Prof. Jacoby down to others by the dozens, could neither effect a cure nor could they even tell what the malady was. He a few years ago, crossed the Atlantic to consult German doctors, without result. I used to call at his store every few months and heard his tale of woe. He said while ill he was never able to retain his food, and at certain times of day he was attacked with an agenizing pain which lasted an hour or so, when he acted as a madman, breaking chairs, etc., and having to give up business for the time being. Food never stayed in his stomach longer than half an hour. Yesterday, after a lapse of eighteen months, I called again, and to my surprise he was still alive and looking well. I asked after his health. He said he has been well for over a year and has gained 40 pounds in weight. I wanted to know what doctor had cured him. This is what he told me: About a year ago or over a man came to his store telling him he had been sick very much the same as he was for some time, and tried Radway's Pills, which quickly oured him. He at once decided to use the pills. The druggist did not have any, and tried to give him another kind, but as he insisted on Radway's, they were procured for him the next day. He only took one at night and he immediately felt better. He kept up for a time to take the pills, and from the first day to S. H. G. ULRICH.
