# SUBWAYS SEEM ASSURED FACT

Council Meets in Special Session To Consider Crossing Question.

DEFINITE ACTION IS SURE

Expected the Ratepayers Will Have Opportunity To Vote On Question This Year.

Thanks to Mayor H. A. Stevenson and others of the council, who are de-voting themselves to the solution of the abolition of deadly level crossings, the citizens of London may have hance this year to express themselves some at least of the grade crossings o the Grand Trunk, and will safeguard numan life and property, as well as liminate the vexatious and money-

On Monday, March 22, the city coun all will held a special and informal meeting to go fully into the crossing From this meeting it is expected that some tangible scheme will be evolved to afford the citizens of London relief and protection from the

Subway Recommended. seems assured. climination has already been officially recommended by the Dominion board f railway commission inspectors for Egerton street, and it is natural that the council will follow the precedent

taid down by this last court of railway appeals. While a comprehensive scheme will likely be outlined it is hardly likely, in view of the present economic situation, that the whole scheme will be recomended to be gone on with at once. Rather it will be a recommendation of a start on this scheme that will come

to the electors. To Include Ridout Street. figuratively the will likely forge two links in the chain of subways that will provide adequate nsurance for Londoners against the

One of these "links" will undoubtedly be Egerton street, and the other Ridout street. The Ridout street ibway has been a question of vital importance in civic circles for some time and will, it is believed, provide South London with propes "exit" and from the down-town section, mething that is denied now with the

On the east Egerton street, with its multitude of tracks that have been condemned as useless by the railway ommission, is a death trap that has the main arteries to the south-eastern ection of the city, and it will be one of the first crossings to be eliminated.

Not Mere Conjecture. It might be said that forecasting the council action is mere conjecture, but if outsiders can be said to be any judges of opinion then the temper of that crossing aboltion will become an New Hampshire as a sane man. accomplished fact this year. Furthernore, as subways have the indorsation of the railway commission and public sentiment, it is no guesswork say that they will be adopted. Hence from these two facts alone can well be drawn the conclusion that the current year will see a start made in

190 DUNDAS STREET.

# The Natural Flavor of Purity Is the Greatest Achievement In Baking Bread!

It is the result which everybody looks for and by which they judge the finished loaf. Its pure ingredients, plus science, that produce the natural flavor, and that's what you get when you

Always Uniform in Purity, Flavor and Quality

# Eat ALOAFA BREAD---Neal's

**The Kind** That Bears the Stamp of Quality

## **DEMAND IT**

because there is nothing peculiar in the flavor. It's the natural flavor of purity. It is not an artificial flavor which would be added if cheap substitutes and inferior ingredients were used. You know you cannot create a natural flavor from an unnatural body. Your fine sense of taste will detect the difference.
